TACOMA-PIERCE COUNTY HEALTH DEPARTMENT

The mission of the Tacoma-Pierce County Health Department is to safeguard and enhance the health of the communities of Pierce County.

DEPARTMENTAL SUMMARY: The Tacoma-Pierce County Health Department is responsible for the protection of public health and safety of the citizens of the City of Tacoma, unincorporated Pierce County, and other cities and towns within the County. The policy for the Health Department is set by the Board of Health, whose membership includes the Mayor and a Council Member of the City of Tacoma, the Executive and three Council Members of Pierce County, an elected official representing the other cities and towns, and one Member-at-Large selected by the Board. Funding for the Health Department is a combination of Federal, State, and local monies, grants, fees for service, and private contributions. Health Pool funds are received from the City of Tacoma and Pierce County.

BUDGET HIGHLIGHTS: The Fiscal Year 2010 Budget for the Tacoma-Pierce County Health Department reflects the budget submitted by the Department. Budget policies and changes from 2009 include:

A net decrease of \$8.2 million from the aggregate 2009 budget of \$41,338,000 which is caused by several factors:

- a) Dwindling reserves;
- b) Reduction in Federal and State grants;
- c) A modification in the accounting for indirect support costs;
- d) Reduced Health Pool and Special dollars from Pierce County; and
- e) Reduction in service fees.

Health Pool from the City of Tacoma remains the same as 2009 at \$555,791. A net increase in City of Tacoma Special dollars of \$1,947 is anticipated. An additional \$5,000 is expected for the Tacoma Wellhead project and a decrease of \$3,053 is expected for the McKinley Family Support Center.

Health Pool dollars from Pierce County for 2010 have been adjusted to \$2,619,790 as directed by the Pierce County Executive's Office. This amount results in a decrease of \$89,470 from the current 2009 Pierce County Health Pool dollars of \$2,709,260.

Salaries and Wages show a net decrease of \$842,356 over 2009. Attributing factors for this decrease will be discussed in contract negotiations with the three collective bargaining units sometime in late summer or early fall.

Fringe Benefits show a net increase of \$298,450 or 5% over 2009. This is largely due to increases anticipated for medical premiums of 10% and City of Tacoma retirement contributions of 2.16%.

As a result of a comprehensive administrative review, a new method of calculating indirect costs is included in our proposed 2010 budget. For 2009, indirect cost is 11% compared to the average departmental rate of 19.1% for 2010. Major changes included in the 19.1% are:

- a) Rent and Building Maintenance;

Tacoma-Pierce County Health Department

- b) Self Insurance; and
- c) Information Technology.

Estimated Use of Fund Balance is budgeted at a total amount of \$1,782,357, a 3.5% decrease from the estimated Use of Fund Balance for 2009. Of this amount, \$1,528,863 is for use in Grant funded and Fee supported programs; \$50,000 in the Leasehold Contingency for anticipated leasehold improvements; and \$203,494 in Cumulative Reserves to support activities in Aids High Risk Outreach (\$50,000), TB (\$55,258), Prevention Priorities (\$25,000), Client Outreach (\$25,000), and Domestic Violence (\$48,236).

Other Financing Uses is budgeted at \$509,764, a decrease of \$353,058 over 2009 due to the unavailability of Fund Balance in Self Insurance and Title XIX Administrative Match. Of the budgeted amount, \$203,494 from Cumulative Reserves will support Aids High Risk Outreach (\$50,000), TB (\$55,258), Prevention Priorities (\$25,000), Client Outreach (\$25,000), and Domestic Violence (\$48,236) efforts. The remainder of \$306,270 will be used in Environment Health (\$14,918) and Strengthening Families (\$291,352) to support activities within these business units.
