Ms. Peterson,

As the emails below state, the Assessor-Treasurer's office policy regarding newspaper reporters has been to request all questions be submitted in writing and responses will follow promptly. Should you wish to submit your questions in writing, they will be answered accordingly.

Dale Washam
Pierce County Assessor Treasurer

Sean,

Mr. Washam's policy regarding newspaper reporters' questions is that they be submitted in writing, so they may be responded in writing. This way the truth of any factual statements would be supported by these written questions and answers.

It is your decision to choose whether or not to adhere to this policy.

Gretchen,

Please tell Mr. Washam that I'm not submitting questions in writing. I would like to meet him and speak with him in person. That's my request.

Sean,

Mr. Washam said to tell you, any interview questions you have for him, put them in writing as he has asked Mr. Wickert and Ms. Sherman to do.

My interest is general. I can't imagine needing more than half an hour, though I'm certainly open to more time if that's his preference.
