Mr. Lindquist,

In regards to my request on January 11, 2010 asking for your help to get an investigation into the unlawful alleged falsification of the Assessor-Treasurer's office official taxpayer records that is alleged took place in the years 2001 through 2008. Whereby, it is alleged that there were 368,642 false entries made into the Assessor-Treasurer's office official taxpayer's records for the years 2001 through 2008.

It is also alleged that in each of the years 2001 through 2008 that the Assessor-Treasurer office filed false Progress Reports regarding physical inspections to the Washington State Department of Revenue and false Budget Summary Workload Data documents regarding physical inspections to the Pierce County Budget and Finance office for said years.

Mr. Lindquist are you going to help? It has been over two weeks without a response from you.

Respectfully,

Dale Washam
