**DALE WASHAM**  
Assessor-Treasurer

February 10, 2010

Mr. Lindquist,

It was disappointing to read your response via your Chief of Staff, Dawn Farina, where therein she states: "Mr. Vanscoy's reply and the memorandum of former Prosecutor Gerald Horne accurately state the position of this office. Nothing has changed and therefore neither has the office position."

Mr. Lindquist, for you to make a legal conclusion that a **2005** Recall Petition hearing has litigated the alleged criminal forgeries of 368,642 false entries into the official taxpayer's records of Pierce County Assessor-Treasurer's office in the years 2001, 2002, 2003, 2004, 2005, 2006, 2007 and 2008, is disingenuous.

In my opinion, your decision to not instigate a proper investigation as recommended by the Governor's office into the alleged 368,642 forgeries in the Pierce County Assessor-Treasurer's taxpayers' records, has created a situation whereby, those persons who committed those violations of law are not held responsible.

Mr. Lindquist, an investigation is needed to protect the interests of the Pierce County property taxpayers. I will continue to seek an investigation in the name of those taxpayers, our employers, even if you choose not to help me do that. However, I would remind you of what you stated at your swearing in, "I will run an office that is professional, non-partisan, and serves the public well".

In God I Trust,

*Dale Washam*
