FORMAL NOTICE

RECEIVED

JUL 07 2010

To: Department of Revenue
Pierce County Board of Equalization

BOARD OF EQUALIZATION
Diane Holliman
11:55 AM

This is a formal notice to the Washington State Department of Revenue and to the Pierce County Board of Equalization advising each that Dale Washam, the Pierce County Assessor-Treasurer, will not be signing the **"Assessor's Certificate of Assessment Rolls to County Board of Equalization"** for 2010.

Dale Washam has been in office for over one year and has knowledge of clear and convincing evidence that alleged unlawful corruption of the Pierce County Assessor-Treasurer's office official taxpayer's assessment records took place in the years 2001 through 2008. Said alleged corruption affects both the integrity and the accuracy of the assessment records for 2010, and will continue to affect said records, until such time as all property has been physically appraised pursuant to state statute.

Pursuant to RCW 84.40.320 a sworn Certification of Assessment Rolls must state therein the following: *"...is in each case...one hundred percent of the true and fair value... assessment rolls...are correct, as I verily believe."*... Dale Washam will not sign such a sworn statement, when he does not believe such statement to be the truth.

Furthermore, the Pierce County Assessor-Treasurer believes RCW 84.40.0301 that grants his offices' assessment records the Presumption of Correctness, has been forfeited by the offices' neglect to perform physical appraisals in the years 2001 through 2008, as required by state statute. Said Presumption of Correctness should not apply until such time as **all** Pierce County properties have received a lawful physical appraisal, thereby returning the integrity and accuracy to the Assessor-Treasurer's office taxpayer's assessment records.

Dated July 7, 2010

Respectfully Submitted,
IN GOD I TRUST,

Dale Washam
Assessor-Treasurer
