Personal Views: Personal agendas are what we all dislike about candidates. Are they focusing on the interests of the community or the special interest of the individual groups? It is "We the people of the United States of America" not I the individual that gives strength to this country. God governing our affairs is the backbone. "I see of this truth, that God governs in the affairs of men, and if a sparrow cannot fall to the ground without his notice, is it probable that an empire can rise without his aid?" (Ben Franklin, 1787) Allow me to serve you.

Tom sponsored the bill, "**Three Strikes You're Out**" which has greatly reduced violent crime. Also, his bill the "**Patients Bill of Rights**," he feels needs to be strengthened, including prescription drug price reform. The state should promote a healthy economy, providing incentives to create family wage jobs.
