Education: Pacific Lutheran University – BS Education, MA Administration.
Occupation: Pierce County Council member (1995 – 2002); teacher.
Professional Qualifications: Pierce County Council (Past Chair, Executive Pro Tempore, chaired Budget and Operations, Pubic Works, Human Services committees); President, Economic Development Corporation of Pierce County; Member of Tacoma – Pierce County Employment and Training Consortium, Puyallup River Council, Pierce County Regional Council and Washington Association of Counties Legislative Steering Committee; Co-Chair Lake Tapps Task Force; teacher; Boeing instructor; office manager; state legislative assistant; executive secretary to the secretary of state.

Personal Information: My husband of 22 years, Dick and I have four grown children and two grandchildren. I was born in Enumclaw, raised in Seattle, and have lived in Pierce County for 35 years.

Community Involvement: City Club; Ohop Grange; Creator Lutheran Church; Chambers of Commerce; Sumner Rotary.

Personal Views: A state representative must be a proven leader, responsible to taxpayers. People want to see the value between the taxes they pay and the services they receive. As a Council member, I gained experience working on road issues, multi-million dollar budgets, and performance audits. I will work to solve our state’s transportation and financial problems, and my educational background has prepared me to understand and seek commonsense solutions to school issues.
