Personal Views: The citizens of Washington State deserve an Attorney General who will hold the government, corporations, and other entities accountable to the people. Brad Gibson will do that job with effectiveness and professionalism. Brad understands people and the law. As a private attorney, he has improved the lives of hundreds of individuals and families. Brad understands business. He has managed a subdivision of an Atlanta energy company, supervising over one hundred employees and also holds an MBA in addition to his JD. Brad also understands technical issues. He has a BS in Nuclear Technology and has served as a reactor operator in the U.S. Navy on the USS Enterprise. Brad Gibson firmly believes that Government should be kept at a minimum while still maintaining a working, functioning society. Politics, in the usual sense, should also be kept to a minimum and should be for the betterment of the people, not the individual holding the office. Citizens should vote for Brad because he is not a politician and will do his best to provide sound leadership and competent management to ensure our Attorney General's office runs smoothly, efficiently, and serves the people.
