**Personal Views:** Thank you for the privilege of serving as your Secretary of State. I've worked hard to defend your "free choice" primary and protect your voting rights. With the help of local election officials, my office is replacing hanging chads and punch cards with safe and secure voting equipment. Together, we've registered nearly 300,000 new voters. Following the Florida debacle in 2000 and new federal mandates, experience is more critical than ever for the Secretary of State. My 20-plus years of knowledge and expertise will ensure that every vote is counted correctly. Your trust and confidence in the voting process will remain my top priority. Since taking office, I've: Fought for the People, not special interests, when our state's blanket primary election was challenged in court; Passed Washington's first Voter Integrity Act to protect against fraud and discrimination; Created a new state mandate requiring a voter verified paper audit trail for all electronic voting machines. Endorsed by nearly all of Washington's County Auditors, I'm proud to have strong, bipartisan support among elected officials throughout the state. *Sam Reed is the leader voters trust.*
