EDUCATIONAL PROGRAMS AND OPERATIONS REPLACEMENT LEVY

RESOLUTION NO. 1858

- A RESOLUTION of the Board of Directors of Tacoma School District No. 10, Pierce County, Washington, providing for the submission to the qualified electors of the District at a special election to be held therein on February 9, 2010, of the proposition of whether excess taxes should be levied in the amount of \$82,000,000 in 2010 for collection in 2011, \$82,000,000 in 2011 for collection in 2012, \$82,000,000 in 2012 for collection in 2013, and \$82,000,000 in 2013 for collection in 2014, said excess taxes to pay part of the cost of educational programs and daily operations of the District.

WHEREAS, Tacoma School District No. 10, Pierce County, Washington (the "District"), for the past four years has had in effect a maintenance and operations levy to enable the District to pay for its educational programs and services, including teachers, instructional aides, nurses, librarians and other staff, technology support, athletics, arts, music and safety programs, textbooks and other classroom materials, and maintaining playgrounds, playfields and other facilities; and

WHEREAS, the current maintenance and operations levies expire this year; and

WHEREAS, the money in and to be paid into the General Fund of the District during the 2010-2011, 2011-2012, 2012-2013, 2013-2014 and 2014-2015 school years will be insufficient to enable the District to pay for necessary educational programs and daily operations to properly meet the educational needs of students attending District schools; and

WHEREAS, to provide properly for such educational programs and daily operations, the Board of Directors of the District deems it necessary to levy the following taxes upon all taxable property within the District above the maximum annual tax levy permitted by law to be levied within the District without a vote of the electors:

- A. A tax of approximately \$3.63 per thousand dollars of assessed valuation to provide \$82,000,000, said levy to be made in 2010 for collection in 2011;
- B. A tax of approximately \$3.60 per thousand dollars of assessed valuation to provide \$82,000,000, said levy to be made in 2011 for collection in 2012;
- C. A tax of approximately \$3.49 per thousand dollars of assessed valuation to provide \$82,000,000, said levy to be made in 2012 for collection in 2013; and
- D. A tax of approximately \$3.39 per thousand dollars of assessed valuation to provide \$82,000,000, said levy to be made in 2013 for collection in 2014;

DEC 04 2009

WHEREAS, the Constitution and laws of the State of Washington require that the question of whether such excess taxes may be levied must be submitted to the qualified electors of the District for their ratification or rejection;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF TACOMA SCHOOL DISTRICT NO. 10, PIERCE COUNTY, WASHINGTON, as follows:

Section 1. The following taxes for the District's General Fund should be levied upon all of the taxable property within the District above the maximum annual tax levy permitted by law to be levied within the District without a vote of the electors:

- A. \$82,000,000, said levy to be made in 2010 for collection in 2011;
- B. \$82,000,000, said levy to be made in 2011 for collection in 2012;
- C. \$82,000,000, said levy to be made in 2012 for collection in 2013; and
- D. \$82,000,000, said levy to be made in 2013 for collection in 2014.

The levy rates depend upon the final dollar amount of assessed value of the property within the District. At this time, based upon information provided by the County Assessor's office, the estimated levy rate for the 2010 levy is \$3.63 per thousand dollars of assessed valuation, the estimated levy rate for the 2011 levy is \$3.60 per thousand dollars of assessed valuation, the estimated levy rate for the 2012 levy is \$3.49 per thousand dollars of assessed valuation, and the estimated levy rate for the 2013 levy is \$3.39 per thousand dollars of assessed valuation. The exact levy rate shall be adjusted based upon the actual assessed value of the property within the District at the time of the levy. Upon approval by the voters of the proposition substantially in the form set forth below, the District may use the proceeds of said levies during the 2010-2011, 2011-2012, 2012-2013, 2013-2014 and 2014-2015 school years by incurring an indebtedness by the issuance of short term obligations against the General Fund of the District, as authorized by Chapter 39.50 RCW, and may expend the proceeds of said levies to pay such part of the general expenses of maintenance and operations of the District during such school years as may be authorized or allowed by law for the use of excess levy funds.

Section 2. It is hereby found and declared that the best interests of the District require the submission to the qualified electors of the District of the proposition of whether the District shall levy such excess tax for their ratification or rejection at a special election to be held therein on February 9, 2010.

The Pierce County Auditor, as ex officio supervisor of elections in Pierce County, Washington, is hereby requested to call and conduct said special election to be held by within the District on said date and to submit to the qualified electors of the District the proposition substantially in the form hereinafter set forth. The Secretary of the Board of Directors is hereby authorized and directed to certify said proposition substantially in the following form:
