RESOLUTION NO. 03-11-12

A RESOLUTION of the Board of Directors of Yelm Community Schools, Thurston and Pierce Counties, Washington, providing for the submission to the voters of the District at a special election to be held therein on February 14, 2012, of a proposition authorizing a tax levy to be made annually for four years commencing in 2012 for collection in 2013 on all of the taxable property within the District of \$9,300,000, the estimated dollar rate of tax levy required to produce such an amount being \$3.71 per \$1,000 of assessed value (such assessed value representing 100% of true and fair value unless specifically provided otherwise by law), in 2013 for collection in 2014 of \$9,700,000, the estimated dollar rate of tax levy required to produce such an amount being \$3.79 per \$1,000 of assessed value, in 2014 for collection in 2015 of \$10,100,000, the estimated dollar rate of tax levy required to produce such an amount being \$3.83 per \$1,000 of assessed value, and in 2015 for collection in 2016 of \$10,700,000, the estimated dollar rate of tax levy required to produce such an amount being \$3.92 per \$1,000 of assessed value, all in excess of the maximum tax levy specified by law for school districts without voter approval, for the District's General Fund, the proceeds of such levies to be used to pay general expenses of educational programs, maintenance and operations, all as more particularly set forth herein; designating the District's Assistant Superintendent, Business and Operations and special counsel to receive notice of the ballot title from the Auditor of Thurston County, Washington; and providing for other matters properly related thereto, all as more particularly set forth herein.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF YELM COMMUNITY SCHOOLS, THURSTON AND PIERCE COUNTIES, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Yelm Community Schools, Thurston and Pierce Counties, Washington (the "District"), hereby makes the following findings and determinations:

(a) Calendar year 2012 is the last year of collection of the District's current four-year General Fund educational programs, maintenance and operations tax levy, which was authorized pursuant to Resolution No. 11-20-07-05, adopted by the Board on November 20, 2007, and a special election held and conducted within the District on February 19, 2008.

(b) With the expiration of the District's current four-year General Fund educational programs, maintenance and operations tax levy, it appears certain that the money which will be available for the General Fund for the school years 2012-2013, 2013-2014, 2014-2015, 2015-2016 and 2016-2017 will be insufficient to permit the District to meet the educational needs of its students and pay general expenses of educational programs, maintenance and operations support thereof, all as more particularly set forth in Section 3 of this resolution, during such school years, and that it is necessary that a replacement excess tax levy of \$9,300,000 be made in 2012 for

collection in 2013, \$9,700,000 be made in 2013 for collection in 2014, \$10,100,000 be made in 2014 for collection in 2015, and \$10,700,000 be made in 2015 for collection in 2016 for the District's General Fund to provide the money required to meet those expenses.

(c) The District's proposed four-year General Fund educational programs, maintenance and operations tax levy authorized in this resolution provides for approximately the same purpose as the District's expiring four-year General Fund educational programs, maintenance and operations tax levy.

(d) The District is authorized pursuant to Article VII, Section 2(a) of the Washington Constitution and Revised Code of Washington ("RCW") 84.52.053 to submit to the District's voters at a special election, for their approval or rejection, the proposition of whether the District shall levy excess property taxes for support of the District's educational programs, maintenance and operations expenses.

Section 2. Calling of Election. The Auditor of Thurston County, Washington, as *ex officio* Supervisor of Elections (the "Auditor") and the proper officer of the county to which the District belongs pursuant to chapter 28A.323 RCW, is requested to call and conduct a special election in the District in the manner provided by law to be held therein on February 14, 2012, for the purpose of submitting to the District's voters, for their approval or rejection, the proposition of whether a replacement General Fund educational programs, maintenance and operations tax levy shall be made annually for four years commencing in 2012 for collection in 2013 on all of the taxable property within the District of \$9,300,000, the estimated dollar rate of tax levy required to produce such an amount being \$3.71 per \$1,000 of assessed value (such assessed value representing 100% of true and fair value unless specifically provided otherwise by law), in 2013 for collection in 2014 of \$9,700,000, the estimated dollar rate of tax levy required to produce such an amount being \$3.79 per \$1,000 of assessed value, in 2014 for collection in 2015 of \$10,100,000, the estimated dollar rate of tax levy required to produce such an amount being \$3.83 per \$1,000 of assessed value, and in 2015 for collection in 2016 of \$10,700,000, the estimated dollar rate of tax levy required to produce such an amount being \$3.92 per \$1,000 of assessed value, all in excess of the maximum tax levy specified by law for school districts without voter approval. The exact tax levy rate may be adjusted based upon the actual assessed value of the taxable property within the District at the time of the levy.

Section 3. Use of Levy Proceeds. If such proposition is approved by the requisite numbers of voters, the District will be authorized to levy excess property taxes and use the proceeds of such levies to meet the educational needs of its students and pay general expenses of educational programs, maintenance and operations support thereof, during the school years 2012-2013, 2013-2014, 2014-2015, 2015-2016 and 2016-2017, all as may be authorized by law and deemed necessary by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and deemed necessary and advisable by the Board.

Pursuant to RCW 29A.36.071, the Thurston County Prosecuting Attorney, as the county prosecuting attorney of the county within which a majority area of the District is located, is requested to prepare the concise description of the aforesaid proposition for the ballot title in substantially the following form:
