Community Kickoff

Thank you for helping to make the Community Kickoff a success! More than 200 people came to the Environmental Services Building on June 10th to hear more about planning progress for the 2010 U.S. Amateur. Members of the community got a closer look at the details, and were able to discuss the event with representatives of the various planning committees. If you couldn't make it to the Kickoff but have questions, please contact us at pcccp@co.pierce.wa.us or (253) 798-4050.
