Mission Statement

The mission of the Key Peninsula Fire Department is as follows:

Key Peninsula Fire Department is a team of professionals working proactively to meet present needs and future challenges with pride, integrity and enthusiasm.

We serve the health, welfare and safety needs of our community by providing fire and injury prevention, fire suppression, rescue, community education and emergency medical aid.

We pledge to be strong financial managers and responsible stewards of the resources entrusted to us by the community.

Services Summary

The Key Peninsula Fire Department was incorporated in the year 1952.

The District provides the following services through their own capabilities:
