

Know it before you need it.....

Women's Guide to Financial Security in a Financially Un-Secure World

Don't miss this eye-opening, fun, life-changing workshop!

From the start of the recovery through May 2011, women lost 218,000 jobs, while men gained 768,000 jobs.

By age 45, women have earned \$122,000 less than their male counterparts, and by age 65, it more than doubles to \$379,000.

Over 40% of elderly women (but only about 30% of elderly men) depend on Social Security for more than 90% of their income.

We know it's tough and the statistics are against you, but the solutions are surprisingly easy.

***It's not automatic!
Learn how women
can best prepare
to make sure their
future is financially
safe and secure.***

Workshop Focuses on Financial Security for Women

At first glance, it may be difficult to believe that women's financial needs are all that different from men's. However, women face unique challenges that translate to different financial needs.

“Women's Guide to Financial Security in a Financially Un-Secure World” is an eye-opening, fun, life changing workshop that will explore the special considerations that all women need to make for their own financial well-being. Among the issues to be considered:

- Women live longer than men (approximately 7 years), so they need to save 20% more for retirement.
- On average, women earn 25% less than men.
- Over 40% of older women (but only about 30% of older men) depend on Social Security for more than 90% of their income.

The presenter is Glenn Leach, Senior Mortgage Banker at Cobalt Mortgage in Puyallup. Leach has spoken widely about issues of financial planning. The workshop is hosted by Pierce County Community Connections Aging and Disability Resources.

“Women’s Guide to Financial Security” will be repeated three times:

- March 26 – Pierce County Annex; 12:10 – 12:50
2401 35th Street, Tacoma – Main Conference Room
- March 28 – County City Building; 12:10 – 12:50 p.m.
930 Tacoma Ave. S., Tacoma; 7th Floor Rainier Conference Room
- March 28 – Puyallup Library; 7 – 8 p.m.
324 South Meridian, Puyallup

The workshop is free and open to the public. No RSVP is required. For more information contact the Pierce County Aging and Disability Resource Center at (253) 798-4600 or (800) 562-0332.
