

Pierce County

Aging & Disability Resource Center

MEDICAL EQUIPMENT AND SUPPLIES

The Pierce County Aging & Disability Resource Center does not recommend companies or endorse any services. This listing is provided as a service to our web site visitors. It represents companies with which Pierce County Aging and Long Term Care has existing contracts to provide medical equipment and supplies under the Family Caregiver Support Program. (Call the ADRC for more information about this program.) Customers should do their own research and carefully screen any company with which they do business.
