

## Presentations Describing Pierce County GIS Technology

Presentation	Presenter	Location	Date
The Role of GIS in Addressing for Pierce County, WA	Jason Matthiessen Angie Venturato	<a href="#">URISA-NENA Addressing Conference</a>	2010
<a href="#">Using PostgreSQL-PostGIS and ArcSDE: An Overview of Strengths and Weaknesses</a>	Cort Daniel	<a href="#">Washington GIS Conference (WAURISA)</a>	2010
<a href="#">Open Source GIS at Pierce County</a>	Jared Erickson	<a href="#">Washington GIS Conference (WAURISA)</a>	2010
<a href="#">GIS Modeling and Web Services Made Easy - Promoting Community Awareness about Stormwater Runoff</a>	Xiongjiu Liao Angie Venturato	<a href="#">Washington GIS Conference (WAURISA)</a>	2010
<a href="#">Connecting Purgatorio to Paradiso - Ferry Tracking and Captain's Log Automation using a GPS/AVL Solution</a>	Xuejin Ruan Chuck Buzzard	<a href="#">Washington GIS Conference (WAURISA)</a>	2010
PostGIS and ArcSDE - Can't we all just get along?	Cort Daniel	<a href="#">Cascadia Users of Geospatial Open Source Meeting</a>	2009
Ways of Viewing the World	Linda Gerull	Business Workshop - Emerald Ridge High School	2009
<a href="#">Equal Partners - GIS and Asset Management</a>	Greg Lang Rick Butner	<a href="#">Washington GIS Conference (WAURISA)</a>	2009
<a href="#">It Can Be Both - ESRI and Open Source, The Java Topology Suite in Action</a>	Jared Erickson	<a href="#">Washington GIS Conference (WAURISA)</a>	2009
<a href="#">Recipe for Excellent Specification Writing</a>	Linda Gerull	<a href="#">Washington GIS Conference (WAURISA)</a>	2009
<a href="#">Simple Mobile Solutions via Smart Technology - Freeance and County GIS</a>	Angie Venturato	<a href="#">Washington GIS Conference (WAURISA)</a>	2009
GIS Trends and Initiatives	Linda Gerull	<a href="#">Digital Government Summit</a>	2008
LIDAR - What is it and How is it Used	Chuck Buzzard	<a href="#">University of Washington - Tacoma GIS Certificate program</a>	2008
Mapping It All	Brandy Riche	<a href="#">University of Washington - Tacoma GIS Certificate program</a>	2008
Project Management and GIS Careers	Linda Gerull	<a href="#">University of Washington - Tacoma GIS Certificate program</a>	2008
GIS Analysis - Assessing Tsunami Hazards within Puget Sound	Angie Venturato	<a href="#">University of Washington - Tacoma GIS Certificate program</a>	2008
<a href="#">Where are they Now - Integrating GPS, GIS and AVL</a>	Xuejin Ruan	<a href="#">Washington GIS Conference (WAURISA)</a>	2008
Innovations, Benefits and Directions - GIS in Transportation	Greg Lang Jie Chen	Amer. Public Works Assoc. and ESRI NW Users Conference	2007
CountyView Web - Enterprise GIS on the Web	Jared Erickson	NW GIS Users Conference and Latitude User Conference	2007
Simplicity is the Key for Public Access to Critical Areas Information	Linda Gerull	<a href="#">NW GIS Users Conference</a>	2007
Case Studies of GIS Integration with Public Safety	Michael Payne	GIS in Public Health Conference (URISA)	2007
Real Easy, Real World, GIS Project Management	Linda Gerull	<a href="#">Washington GIS Conference (WAURISA)</a>	2007
Geography Matters	All GIS Staff	GIS Day - local elementary schools (presentations to 13 schools)	2006
Public Safety and Security Institute for Technology	Michael Payne	Department of Homeland Security - Justice and Safety Center	2006
GIS Strategies for Emergency Management	Linda Gerull	<a href="#">Digital Government Summit</a>	2006
Washington State Transportation Framework Project Partner and Pilot Project	Chuck Buzzard	Washington DOT	2006
Managing Countywide GIS	Linda Gerull	<a href="#">Washington GIS Conference (WAURISA)</a>	2006
Orthophotography Data Quality Control	Jenee Nash Steve Savage	<a href="#">Washington GIS Conference (WAURISA)</a>	2006

## Presentations Describing Pierce County GIS Technology

Presentation	Presenter	Location	Date
Tactical Crime Analysis Using GIS	Tony Berger	<a href="#">Washington GIS Conference (WAURISA)</a>	2006
The Uses of GIS in Pierce County Traffic Impact Fee Program	Shawn Phelps Jie Chen	<a href="#">Washington GIS Conference (WAURISA)</a>	2006
New Ideas for Emergency Management Applications, Sustainability and Funding	Linda Gerull	<a href="#">ESRI International Users Conference</a>	2005
The Key to the Present is the Past	Jared Erickson	<a href="#">ESRI International Users Conference</a>	2005
Using GIS for Land Use Planning	Katherine Brooks Brandy Riche	National Association of Counties - WIR	2005
Workshop on Geospatial Information for Disaster Management	Michael Payne	National Research Council of the National Academy of Science	2005
Using a Database for Inventory Management	Michael Payne	State EOC Meeting	2005
Tips, Tools and Techniques	Matt George	Storm Water Inspectors Quarterly Meeting	2005
National Urban Search and Rescue Accountability Working Group	Michael Payne	Washington Task Force 1	2005
Selecting Projects for Homeland Security Grants	Linda Gerull	ESRI Homeland Security Grants and Use of GIS	2004
LIDAR - Advances in Terrain Modeling and Visualization	Chuck Buzzard	GIS Day University of Washington - Tacoma	2004
New GIS Enabled Web Sites at the County	Linda Gerull	GIS Day - University of Washington - Tacoma	2004
Innovative GIS Strategies to Do More with Less	Linda Gerull	GITA - Speaker Award	2004
Capitalizing with Contracting	Linda Gerull	Puget Sound Users Group & Washington GIS Conference (WAURISA)	2004
GIS on the Move in Pierce County	Linda Gerull	WA DOT Western Users Conference	2004
GIS Regionalization Efforts in Pierce County	Brandy Riche	Washington GIS Conference (WAURISA)	2004
Data Shift - Adventures in Aligning Parcels to Orthophotography	Stan Gerber	Washington GIS Conference (WAURISA)	2004
Neighborhood Crime Mapping on the Web for the Public	Tony Berger	Washington GIS Conference (WAURISA)	2004
Developing a Tool for Pre-Identifying Incident Response and Recovery Resources: Rapid Access to Resources (RAR)	Michael Payne	Western Region Medical Readiness	2004
Get Spatial	Linda Gerull	Business Workshop - Emerald Ridge High School	2003
DiscoverParks.org - Collecting, Maintaining and Distributing Park Information	Michael Payne	City Line - Tacoma TV and GIS Day	2003
GIS in Local Government	Chuck Buzzard	University of Washington	2003
A Successful Enterprise GIS: Can It Be Duplicated?	Stan Grochowski	ESRI Users Conference	2003
Flood Hazard Zone Modeling for Regulation Development	Greg Lang	ESRI Users Conference	2003
Building and Maintaining Route Systems	Chuck Buzzard	GIS Day University of Washington - Tacoma	2003
GIS for Emergency Management	Jody Woodcock	GIS Day University of Washington - Tacoma	2003
GIS in Environmental Health	Jennifer Olsen	GIS Day University of Washington - Tacoma	2003
GIS in the Daily Life of a Planner	Dan Cardwell	GIS Day University of Washington - Tacoma	2003

## Presentations Describing Pierce County GIS Technology

Presentation	Presenter	Location	Date
GIS Support of Emergency Management	Joe Brentin	GIS Day University of Washington - Tacoma	2003
GPS Field Operations for Data Collection	Greg Lang	GIS Day University of Washington - Tacoma	2003
Modeling Tree Growth with GIS	Hugh Taylor	GIS Day University of Washington - Tacoma	2003
GIS in E-Government Services	Linda Gerull	GIS Day University of Washington - Tacoma	2003
GIS Best Practices and Technical Demonstrations	Linda Gerull	International County/City Management Association	2003
Public Use of GIS	Linda Gerull	South Sound Technology Conference	2003
DEM Map Gallery	Jared Erickson	WAGIC	2003
West Nile Virus Database	Jared Erickson	WAGIC	2003
GIS for Emergency Management and Public Health	Jared Erickson	WAGIC	2003
DiscoverParks a Regional GIS Database and Web Site	Linda Gerull	Washington GIS Conference (WAURISA)	2003
Survey Monument Website	Chuck Buzzard	Washington GIS Conference (WAURISA)	2003
Tracking West Nile Virus Online	Jared Erickson	Washington GIS Conference (WAURISA)	2003
Regional Address Data Maintenance in Pierce County	Jared Erickson	WAURISA Addressing Workshop	2003
Tracking Sex Offenders Online	Jared Erickson	ESRI Users Conference & Washington GIS Conference (WAURISA)	2002
Maximizing Use of Census 2000 Data in Local Government	Cort Daniel	ESRI Users Conference 2002	2002
Regionalization of GIS In Pierce County, WA	Brandy Riche	NW GIS Users Conference	2002
First Source for Human Resources on the Web	Joyce Clifford	NW GIS Users Conference	2002
Utilizing an Address Management System to Maintain Street Centerline Data	Greg Heintz	NW GIS Users Conference	2002
GIS Efficiencies	Linda Gerull	Pacific Northwest Digital Government Summit	2002
GIS Day	All GIS Staff	GIS Day - Environment Services Bldg (2-track presentations, 85 attendees)	2002
Web-based GIS Applications	Linda Gerull	Pierce County Digital Government Summit	2002
Mobile Information Systems for Local Government	Linda Gerull	South Sound Technology Conference	2002
Drainage Management Program for Environmental Protection	Bruce Wagoner	URISA, Public Works	2002
Guardrail Inventory and Inspection System	Anton Kozhevnikov	URISA, Public Works	2002
Spatial Accuracy of PDA GPS Cards for Data Collection, Inventory, and Inspection	Greg Lang	URISA, Public Works	2002
Generating Flood Plains from Digital Terrain Models	Jared Erickson	Flood Modeling, Mapping and Policy Workshop	2001
Geodata Express: Pierce County GIS Web Site for Filing Custom Data Requests	Cort Daniel	NW ESRI Users Conference	2001
Pierce County Flood Mapping Project: A Methodology for Digital Delineation of Regulatory Flood Boundaries	Jared Erickson	NW ESRI Users Conference	2001

## Presentations Describing Pierce County GIS Technology

Presentation	Presenter	Location	Date
Keep It Simple: Designing and Implementing Pierce County's Drainage Work Order System	Stan Gerber	NW ESRI Users Conference	2001
Moving from the Desktop to the Web: A Strategy for Application	Stan Grochowski	NW ESRI Users Conference	2001
The Pierce Incident Management System	Chuck Buzzard	NW ESRI Users Conference	2001
GIS Day	All GIS Staff	Pierce County - Fawcett Bldg (open house)	2001
Data Dissemination at Pierce County GIS	Cort Daniel	Washington GIS Conference (WAURISA)	2001
Design and Deployment Tips for UNIX and NT Servers over a Wide Area Network	Bill Morman	Washington GIS Conference (WAURISA)	2001
Going With the Flow: The Design and Implementation of Pierce County's Drainage Database	Stan Gerber	Washington GIS Conference (WAURISA)	2001
Locating At-Risk Neighborhoods	Mike Carson	Washington GIS Conference (WAURISA)	2001
PCSD On-line Sex Offender Registry	Michael Payne	Washington GIS Conference (WAURISA)	2001
PDA's Role in Field Data Collection	Anton Kozhevnikov	Washington GIS Conference (WAURISA)	2001
Tacoma-Pierce County Economic Development Board Website	Rob Allen	Washington GIS Conference (WAURISA)	2001
Tips & Tricks: Programming for the Web	Stan Grochowski	Washington GIS Conference (WAURISA)	2001
Understanding and Managing GPS Signal Interference and Blockage	Greg Lang	Washington GIS Conference (WAURISA)	2001
Finding the Opportunity	Linda Gerull	Washington GIS Conference (WAURISA)	2001
Managing a Cooperative Countywide Orthophoto Project	Stan Grochowski	ESRI Users Conference	2000
Generating Flood Plains from Digital Terrain Models	Jared Erickson	NW ESRI Users Conference	2000
Online Training Options	Cort Daniel	Train the Trainer Conference	2000
PCSD Sex Offender Search and the Pierce Responder System	Michael Payne	WAGIC	2000
CrimeStar.Air	Michael Payne	Washington GIS Conference (WAURISA)	2000
Database Design and Implementation of Drainage Facilities	Stan Gerber	Washington GIS Conference (WAURISA)	2000
Moving an Enterprise GIS to the Internet: Challenges and Successes	Stan Grochowski	ESRI Users Conference	1999
Pierce County's Method for Creating Metadata	Cort Daniel	King County Users Group & Washington GIS Conference (WAURISA)	1999
Using Metadata Construction to Provide Excellence in Customer Service	Cort Daniel	Northwest GIS Users Group	1999
GIS Day	All GIS Staff	GIS Day - South Hill Mall Booth, 250 attendees	1999
Spatial Data Collection for Domestic Violence Crimes	Chuck Buzzard	Commission Against Domestic Violence	1998
Road Atlas for Transportation Services	Chuck Buzzard	County Road Administration Board	1998
Pierce County's Permit Counter System: A MapObjects Applications with Links to ArcView GIS	Stan Grochowski	ESRI Users Conference	1998
Bringing GIS to Pierce County Citizens via the Internet	Dan King	NW ESRI Users Conference	1998

## Presentations Describing Pierce County GIS Technology

Presentation	Presenter	Location	Date
A Digital Road Atlas in ArcView	Chuck Buzzard	NW ESRI Users Conference	1998
The Internet as a Delivery Platform	Michael Payne	NW ESRI Users Conference	1998
1998 Spring Fair	All GIS Staff	Pierce County (booth, maps for purchase)	1998
The Added Value of Promoting Data Sharing	Cort Daniel	Washington GIS Conference (WAURISA)	1998
Get Your Hands on the Future	Linda Gerull	ESRI NW Users Conference - Keynote	1997
CountyView: Getting Data to the User	Stan Grochowski	ESRI Users Conference	1997
GIS Open House	All GIS Staff	Pierce County Annex (All depts. represented, 120 attendees)	1997
GIS and the Floodplain Management Planning Process	Chuck Buzzard	ESRI Users Conference	1996
The Service Request System: An Integrated PowerBuilder ArcView Application	Stan Grochowski	ESRI Users Conference	1996
Metadata Development at Pierce County	Joyce Clifford	NW ESRI Users Conference	1996
Attribute Data QA: An On-Line Approach	Stan Gerber	ESRI Users Conference	1995
MapTrack in the Assessor/Treasurer's Office: A PowerBuilder Link to ArcInfo	Stan Grochowski	ESRI Users Conference	1995
Using GIS in Local Government	Linda Gerull	National Association of County Engineers	1995
An On-Line Approach to Quality Control	Stan Gerber	NW ESRI Users Conference	1994
Pierce County GIS: Data Integration	Joyce Clifford	NW ESRI Users Conference	1994
