

Cooperative Play

Individuals of all ages and ability levels can enjoy cooperative play games and activities. The games and activities focus on cooperation rather than competition and they can be played almost anywhere with little or no equipment. In cooperative games, no one is eliminated.

When the right games are chosen for your group they almost always result in total involvement, feelings of acceptance and lots of smiling faces.

- Cooperative Play In-service for Education Professionals
- Cooperative Play In-service for Business Professionals
- Family Play Nights
- Playshops

To book a Cooperative Play event or to get more information please contact Jen at 253-798-4753.

Monies generated from Playshops, Family Play Nights, and in-services help to support the Cooperative Play events around the county.

 9112 Lakewood Drive SW
 Lakewood, 98499

253-798-4753 More camp information available the first of April.

Companionship Program

Pierce County Parks and Recreation is proud to offer "Companionship" a program designed to provide recreation and leisure opportunities for individuals of all abilities and their friends and families. Our goal is to assist the participants in finding and maintaining strong friendships.

We assist in nurturing friendships by offering many different activities in the local community for friends to get involved. All Companionship activities become a place where everyone is welcome. These activities are a natural place to learn how to interact, make friends, and try new things.

The program will host over 150 different functions throughout the school year. Those participating on an ongoing basis determine the activities.

There is no membership or commitment. Come once or come often. We encourage all participants to preregister. Fees may apply for some of the activities. Examples of activities include: dances, family play nights, putt putt golf, swimming, bowling, baseball and basketball games, ice skating, picnics, special outings, movie nights, and much, much more.

Make sure you are on our e-mail list or become a friend of Pierce County Parks and Recreation's Facebook page for an event calendar and up to date information.
