

Pierce County

Public Works and Utilities

Our Mission

To improve the quality of life in our community by managing, maintaining, and developing public services and facilities.

Our Values

TEAMWORK

We work together as a team with each other and our partners in other agencies and groups.

INTEGRITY

We are always dependable, open, honest, and fair in all we do.

QUALITY

We strive for excellence to provide quality systems and services that are the best value for those we serve.

INNOVATION

We continually strive to improve our systems and services with proven innovations.

SAFETY

We work for the safety of each other and those using our systems and services in everything we do.

PUBLIC SERVICE

We strive for the best service for our customers, both internal and for the public using our systems and services.

STEWARDSHIP

We are responsible stewards of the assets and resources entrusted with us and of the environment we live and work within.
