Utility Relocation May Cause Delays

112 St E from Woodland Ave E to 86 Ave E

Private utilities will have equipment on site to relocate their facilities.

See back for more information.

112 St E CORRIDOR COMPLETION

Various utilities will continue relocating their poles, lines, and pipes to make way for the upcoming widening project.

Utility relocation is expected to continue through Spring 2011.

For more information, please visit us on the web at www.piercecountywa.org/112
