

Here is a summary of the changes that were made:

**Section J: Illumination and Signals**

PC.J1.5 – Revised note “1.A.” regarding the handhole location on the pole.

PC.J2.2, PC.J2.3, and PC.J2.4 – Revised notes for the cabinet to be “1/8 Inch Mill Finish Aluminum” instead of “#12 GA Pregalvanized Steel” Construction. Modified notes for cabinet paint.
