

Peninsula Detachment Crime Alert

1/25/08 – Community Academy Enrollment Open

The Peninsula Detachment will be hosting a Pierce County Sheriff Community Academy beginning 2/20/08. The Community Academy is an opportunity for residents in Pierce County to learn about law enforcement and the roll of the Sheriff's Department within the community.

During the 13 weeks of the academy, participants become familiar with how the department functions from the time a call comes into 9-1-1 to apprehension of the suspect. Field trips to the 9-1-1 Communications Center, Forensics, Jail and the Marksman firing range will provide first hand experience in the law enforcement environment. Other highlights in the class are meeting the Sheriff and driving a patrol vehicle.

The Community Academy is free of charge and open to residents of Pierce County. You must be 16 years old to participate. Classes will be held in the Key Center fire station from 6:30 pm to 9:00 pm on Wednesday nights.

To register for the academy, please print and submit the Community Academy application.

Pierce County Sheriff's Department Community Academy

KEY PENINSULA
