

Peninsula Detachment Crime Alert

4/16/07 – Vacant Home Burglarized and Maliciously Damaged

Between 4/1/07 and 4/13/07, a vacant home in Lakebay was burglarized and maliciously vandalized. The home is currently listed with a realtor for sale.

The realtor was conducting a check on the property when he found the electrical box unsecured and the back door window broken. He immediately called law enforcement. The responding deputy found the main power switch turned off and water coming from the house through the outside wall seams at floor level.

Inside the home, all of the appliances had been removed and the water hoses were pulled out from the walls to the floors or other rooms in the home. The fixtures from some of the sinks and showers were removed, leaving behind plumbing spewing water. Water filled the crawlspace under the house up to the framework for the home.
