

eninsula Detachment Crime Alert

4/30/07 – PCSD Working with PSD to Resolve Threats

The Pierce County Sheriff's Department is aware of an internet rumor regarding eminent violence at Peninsula High School. The information has been perpetuated through a My Space account. We are working closely with the Peninsula School District to handle this situation.

The Peninsula Detachment would like to remind parents to monitor their children's activities while online.

Over the next few weeks, the Gig Harbor Police Dept. will be hosting information sessions for parents. These sessions will include school and internet safety. To register, please contact CSO Lynn Mock at 253-851-2236.
