The above photos were taken by a store surveillance camera as the suspect attempted to redeem stolen lottery tickets. The lottery tickets were taken on 5/31/06 during a burglary at a grocery store on Fox Island.

A trail was left by the suspect as he redeemed lottery tickets on Olympic Drive in Gig Harbor, at 72nd St. and Portland Ave. in Tacoma and in the Tillicum neighborhood of Lakewood. At the time, he was driving a silver BMW 3 series in nice condition. There is currently no associated license plate, but the vehicle does have a sunroof.
