

Peninsula Detachment Crime Alert

12/12/08 – Mail Theft and Vehicle Prowls on Rise

Since December 1, the Peninsula Detachment has received 15 reports of theft from mailboxes and vehicles. As the holidays approach, individuals are more likely to forget basic safety measures to protect their property. Our goal is to reduce the number of victims in our jurisdiction. We hope this information will remind you and your family to take precautions to protect the gifts you will exchange.

TIPS TO PREVENT VEHICLE PROWLs

-  Secure your vehicle. Roll up all windows, lock all doors, secure truck bed storage and lock truck canopies.
-  Do not leave items visible in your vehicle. This includes the bag hiding under the sweater or blanket.
-  Watch your surroundings. Look to see if there are individuals who appear not to have a reason to be in the area.
