

The slopes on the backside of Crystal Mountain are wilderness area. Dangerous conditions may exist. Rescue, if possible, may be slow and costly. No avalanche control.

**SPEED CONTROL ZONES**  
 Keep an eye out for our Mountain Safety Team in their bright yellow jackets monitoring speed control zones. For your safety, these zones are in effect on leading and congested runs. Passes may be revoked for fast skiing or riding in these zones.

- YOU'RE RESPONSIBLE**
1. Stay in control.
  2. People ahead have the right away.
  3. Stop in a safe place for you & others.
  4. When starting downhill or merging, look uphill and yield.
  5. Use devices to help prevent runaway equipment.
  6. Observe signs and warnings, and keep off closed trails.
  7. Know how to use the lifts safely.

**NORTH AND SOUTH COUNTRY**

The names shown are for reference only and are not designated trails or runs. This area is not patrolled on a regular basis and the danger of avalanche exists at all times. Closure violators will lose skiing privileges.
