

Performance Audit Committee

By ordinance, the Pierce County Council has designated the Performance Audit Committee as the “focal point” for performance audit activities. The committee meets several times a year, and monthly when needed. Members are:

- ◆ Councilmember Dick Muri, Chair
- ◆ Councilmember Shawn Bunney
- ◆ Councilmember Tim Farrell
- ◆ Michael Hondorp, citizen at large
- ◆ Patrick Kenney, Director of Budget and Finance
- ◆ Kevin Phelps, Deputy County Executive
- ◆ Mark San Souci, citizen at large

The committee’s work is to oversee and set the direction of the performance audit program. The committee hears and discusses audit reports, makes recommendations for action to the County Council and County Executive, and publishes an annual report on the highlights of audits conducted each year.

The committee also selects audit topics by approving an annual work program. Lastly, the committee approves each audit contract and the scope and objectives of each performance audit.

The committee staff members are Matt Temmel, Performance Audit Coordinator; Rick Talbert, Research Analyst; and William Vetter, Research Analyst. Matt can be reached at 253-798-4927 or mtemmel@co.pierce.wa.us.

The Performance Audit Committee meets usually on the third Thursday at 1:30 p.m. Meetings are held in the Council chamber, 10th floor, County-City Building, 930 Tacoma Ave. South, Tacoma, WA 98402. Meetings are public and often televised. On occasion, evening meetings are also held.

If you want to be on the list to receive meeting notices, please contact Linda Medley, 798-4927, or lmedley@co.pierce.wa.us.
