Public Comment Procedure

The Commission wishes to ensure that all County residents have the opportunity to share their views with Commission members during the Commission's deliberative process. To this end, the Commission has established the following procedures: 1.) Public Comment During Meetings - During the discussion of each agenda item -- and before the Commission takes action -- the Chairperson will ask audience member to comment if desired. To assure equal opportunity for comment, the Chairperson may impose a time limit on each speaker as well as a time limit for each discussion. Questions must be addressed to the Chairperson. 2.) Under the "Public Comments" portion of the meeting, the Commission will hear comments on issues not included in the agenda. Five minutes will be allotted to each speaker and a total of twenty minutes will be given for each subject.
