

PIERCE COUNTY PUBLIC WORKS AND UTILITIES TRANSPORTATION SERVICES/ENVIRONMENTAL SERVICES ENGINEERING DIVISIONS/AIRPORT & FERRY DIVISION

2011 Anticipated Opportunities for Contracting in Pierce County

All contracts for Public Works projects are advertised in the newspaper of record. Once advertised, plans and specifications for the transportation, airport and ferry projects are available for review and purchase in the Public Works and Utilities office at 2401 South 35th Street, Room 150, in Tacoma. Most transportation plans and all environmental project plans can also be obtained from the Builders Exchange website on the Internet.
