All application requirements MUST be completed and received by Pierce County Surface Water Management, ATTN: BILLING DEPT, 9850 64th St. W., University Place, WA 98467-1078. Phone (253) 798-4020 BEFORE October 1ST for a Credit in the following year.

This application for a Pierce County Storm Drainage and Surface Water Management Utility service charge credit is made for a site with a properly maintained and functioning drainage system. All costs for certification, operation, and maintenance of the drainage system required for the service charge credit are the responsibility of the property owner. I understand that Pierce County Code Title 11, Chapter 11.02 governs qualification for service charge credit.
