**Pierce County Project Goals**

- Ensure local agencies understand the problem and support finding a solution
- Work closely with affected agencies to develop alternatives, select an alternative, cooperatively seek funding, and construct the selected alternative.

**Executive Task Force Goals**

- Diligently represent the values and issues of their agency and decision-makers
- Identify, discuss and address all members' problems and roadblocks concerning the flood control system
- Consider a full suite of solutions and find a timely solution that is realistic and fundable
- Recertify the flood control system
- Avoid a political solution that doesn't work
- Be part of a solution that works for people and the environment
- Provide for public safety and protection of personal property
