Contact Person at Event (name and cell phone number) _____

Person Checking Out Kit (print name) _____

Address & Phone Number _____

Pierce County is supplying the organization and/or individual identified above with equipment needed to prevent car wash wastewater from entering the storm drain system. The person(s) checking out this equipment agrees to follow the car wash kit set up instructions. Equipment must be returned within 5 days of the date checked out from the County unless otherwise authorized by the County Surface Water Management staff. The equipment must be returned clean and any equipment failures brought to the county's attention upon return. Failure to return the kit will result in the person being billed for the cost of the kit.

By signing this agreement I acknowledge that car wash run-off has significant detrimental environmental impacts on our waterways and car wash kits are required to be properly used at charity car wash events to prevent water quality violations. I further acknowledge that failure to properly use a car wash kit at my car wash event may result in a water quality violation and monetary penalties from the county and the state.

By signing this agreement, I also agree to indemnify and hold Pierce County, its elected officials, officers, agents, and employees, harmless from and against any liability or costs arising from or resulting from this agreement or the use of the equipment. Further, by signing this agreement, I verify that I am an adult and am aware of the potential hazards of working with electrical equipment and am responsible for the safe operation of said equipment.

For more information contact Surface Water Management Division at (253)798-2725.
