Do local tracks give awards for top fundraisers? And what if you don't race BMX?

Every track is different so always ask your local track for promotions. River Valley BMX offers a free season of racing to members raising over \$2000.00 or more at our fundraising event. We are also seeking promotional items for prizes. Please check with your local track for more information on RFL.

Can anyone get involved and help?

Yes, please contact your local track operator and ask what you can do to help! We hope to team up with businesses and private entities in hopes of raising more dollars for this much needed research. Also we are always seeking volunteers to help with the event, marketing, and helping to bring awareness to our community.

Why is RFL such an important event?

Race for Life teaches our kids about The Leukemia & Lymphoma Society and their ongoing commitment to finding a cure for blood cancers. Half of your race entry fee goes to this much needed research. Instead of winning a trophies our kids get a certificate allowing tracks to donate more money to this much needed research. Throughout this series our hope is too educated by bringing awareness to our community friends and families.

How many RFL events can I participate at?

We encourage everyone to participate at all RFL events. Our tracks are working together to allow everyone to participate at all events.

RACE FOR LIFE events throughout the weekend June 20th, 21st and 22nd. Our hope is by having events in Sumner, Everett, and Mount Vernon we can gather participation all across Western Washington. We realize participating in one is better than not participating and hope to see many new faces throughout the weekend. All tracks in Washington hosts a Race for Life. Please visit <http://www.ababmx.com/index.php?page=default%2Fpages&type=rfl&st=WA> to find an event near you.

I can't make to the scheduled events but I still would like to donate to this important research. How can I donate to Leukemia Research?

You can always contact the Washington/ Alaska Chapter. (Please make checks payable to The Leukemia & Lymphoma Society) http://www.leukemia-lymphoma.org/hm_lls or check with your local track to see if they will accept donations throughout the year. River Valley BMX will be adding a Pay Pal button to River Valley BMX website allowing donations to take place year round or simply fill out the form below and mail your donation to us.

It all started in 1981 when an avid 12 year old BMX racer from Michigan discovered he had Leukemia. Todd Kingsbury was his name, and like many BMXers, he had dreams of someday becoming a top pro in the sport. Unfortunately, this dreaded disease would keep Todd from fulfilling his dream. When Todd's friends and the American Bicycle Association learned of his diagnosis, it was decided that an organized effort should be made to help in Todd's "Race for Life." The first ABA "Race for Life" events were formed that year, with over 130 tracks participating and raising funds for The Leukemia & Lymphoma Society®.

Ever since, the ABA has held a series of "Race for Life" events nationwide to help in the fight to find a cure for blood-related cancers. There are awards given to top fund raisers which include t-shirts, jackets and trips to the ABA Grand nationals of BMX.

Of course, the best reward of all is the good feeling of helping others with Leukemia.
