Barbara Ann Smolko, PC SWM; Windy Kruse, PC SWM; Kim Jasionkowski, PC SWM; Kip Julin, PC Sewers; Becky Little, PC Parks; Jessica Stone, PC Parks; Amy Cruver, PC Council

#### **Characterization Report – Executive Summary Contents**

Group discussion on the contents for the executive summary for the lake characterization report. Ideas were proposed in a group setting. Suggestions included: Recommendations for possible actions and future actions; a break down the measured analytics and what those measured results mean; identify what is natural occurring vs. external and internal loading; identify what is achievable water quality and best expectations; summary should reference the data; summary should include the objective of the study, who, what, when & why.

Kip Julin Pierce County Sewer Utility – gave brief overview of what is needed for sewer connection, potential costs, environmental and health hazards in order for Council to approve.

#### **Review of draft Spanaway Lake historical time line**

Group reviewed draft and Barbara Ann Smolko – Pierce County Surface Water Management requested group review draft for missing information or if additional needed to be researched to contact her or bring information the next meeting so it could be added to the draft.

#### **Develop Vision for Spanaway Lake**

Broke up into individual teams and wrote down visions for the lake on 5 x 7 index cards. Cards were then placed on vision board and categorized.

#### **Advisory Group Appointment and Open Meetings Training**

Brief introduction to the Open Public Meetings Act and Open Public Records OPMA/OPR. Next meeting there will be a training on the OPMA/OPR.

#### **Updates**

2 maps were presented. 1 map overviewed the entire watershed and drainage features. The other map narrowed overviewed of the lake and the surrounding area. Members were asked to review maps at future meetings and to make comments if more features needed to be identified.

Golf Course and Spanaway Park information will be presented at next meeting by Pierce County Parks.
