## **GENERAL INFORMATION**

---

The Economic Development Department (EDD) manages the various programs related to the County's arts programs, 1% for Arts Program, and the Arts Commission. The mission of the 1% for Arts Program is to increase access to the arts for all Pierce County residents through a lasting legacy of publically held artwork.

## **DESCRIPTION OF PROJECT**

---

Meridian Habitat Park and Community Center is a Pierce County Parks and Recreation Department (Parks) property and is located in unincorporated Pierce County at the intersection of Meridian East and 144<sup>th</sup> Street East. Much of the public does not recognize that the Meridian Habitat Park property is a public park. The Park needs a sculptural piece of art that will become an identifying icon for the park and create muse or curiosity in viewers that will ultimately draw them to visit the park. The Pierce County Arts Commission is seeking qualified artists to create a large piece of art that would incorporate a modest sized electronic reader sign and would complement or creatively contrast the natural environment of the park. The installation must be large enough and simple enough that it will be visible and understandable by viewers driving past on either Meridian East or 144<sup>th</sup> Street East. The piece must not have any moving parts and be constructed in a manner that it will be entirely durable and essentially maintenance free. The preferable material is metal, but concrete and thick resin cast materials will be considered.

## **BUDGET**

---

The budget for this project is \$150,000.00, including, but not limited to, all design, manufacturing, fabrication, transportation, and installation assistance of the artwork; artist's fees; travel; documentation; and taxes. No additional funds will be provided. No travel funds are available for artist finalists.

## **EXPECTED TERM OF RESULTING AGREEMENT**

---

The initial contract period shall be from October 1, 2017 to May 1, 2018 (estimated), unless sooner terminated as provided elsewhere in the Agreement.

**HOLDER'S LIST:** All interested potential proposers must email the contact of this RFP to request to be put on the Holder's list for this procurement in order to receive RFP addenda and additional procurement updates. By requesting to be placed on the Holders list, firms will automatically be notified when new documents or changes relating to this procurement occurs.

## **SCOPE OF WORK**

---

The scope of work includes providing all labor, materials and equipment required to fabricate the selected proposal. This includes but is not limited to all design, documentation, manufacturing, fabrication, transportation, offloading, and installation assistance for the artwork.

### **Compulsion**

Much of the public does not recognize that the Meridian Habitat Park property is a public park. The Park needs a sculptural piece of art that will become an identifying icon for the park and create muse or curiosity in viewers that will ultimately draw them to visit the park. Applicants are strongly encouraged to visit the site before submitting a proposal. Also, refer to Attachment A for visual references.

### **Artwork**

The Pierce County Arts Commission is seeking qualified artists to create a large piece of art that would incorporate a modest size electronic reader sign and will complement or creatively contrast the natural environment of the park. The installation must be large enough and simple enough that it will be visible and understandable by viewers driving past on either Meridian East or 144<sup>th</sup> Street East. The piece must not have moving parts and be constructed in a manner that it will be entirely durable and essentially maintenance free. The piece cannot use water, and it must be safe for public interaction. The preferable material is metal, but concrete and thick resin cast materials will be considered.

### **Electronic Reader Board**

The proposed art piece must incorporate an electronic reader board to be used by Parks to communicate events at Meridian Habitat Park and Community Center. The electronic reader board will display text only and no graphics. It will be rectangular and approximately 3' tall by 6.5' wide, see Reader Board Attachment.

### **Final Design**

The artist will be required to coordinate with the Parks project manager to provide a final design of the selected proposal. The artist must receive written approval of the final design prior to purchasing materials or beginning fabrication of the selected proposal. The final design must clearly communicate all materials, assemblages and dimensions for the art piece. The final design must incorporate the electrical connection for the electronic reader board, the attachment for the electronic reader board and the material and layout of the sub-base for the art piece. Prior to Parks approval, the artist will be required to make reasonable adjustments to the final design, as requested by Parks, to allow for the electrical connection, visibility, orientation, and sub-base preparation.

### **Installation**

Parks will assist in site preparation for the selected proposal. This will include bringing an electrical connection to the artwork's proposed location and stubbing the connection up to be fit into the art piece. The artist will coordinate with Parks during the final design of the artwork to plan how the electrical connection will connect through the artwork to the electronic reader board. Parks will smooth the grade at the artwork's location and provide the sub-base that the piece will rest on. The sub-base will be compacted crushed rock or a concrete slab. The artist will coordinate with Parks during the final design of the artwork to plan the sub-base layout and material. Artist will be responsible for providing offloading of the art piece and its connection to the sub-base if a connection is needed. Parks will install the electronic reader board to the art piece in the location and manner coordinated with the artist during final design.

2. Accounting and Payment for Contractor Services:

Payment to the Contractor for services rendered under this Agreement shall be as set forth in Exhibit "B." Where Exhibit "B" requires payments by Pierce County, payment shall be based upon billings, supported unless otherwise provided in Exhibit "B," by documentation of units of work actually performed and amounts earned, including where appropriate, the actual number of days worked each month, total number of hours for the month, and the total dollar payment requested. Unless specifically stated in Exhibit "B" or approved in writing in advance by the official executing this Agreement for Pierce County, (hereinafter referred to as the "Contracting Officer".) the County will not reimburse the Contractor for any costs or expenses incurred by the Contractor in the performance of this contract.

Where required, the County shall, upon receipt of appropriate documentation, compensate the Contractor, no more often than monthly, through the County voucher system for the Contractor's service pursuant to the fee schedule set forth in Exhibit "B."

3. Assignment and Subcontracting:

No portion of this contract may be assigned or subcontracted to any other individual, firm or entity without the express and prior written approval of the Contracting Officer.

4. Labor Standards and Contract Assistance:

The Contractor shall comply with the provisions of Exhibit "C", attached hereto, titled "Contract Compliance For Professional, Technical, Supply or Services".

5. Independent Contractor:

The Contractor's services shall be furnished by the Contractor as an independent Contractor and nothing herein contained shall be construed to create a relationship of employer-employee or master-servant, but all payments made hereunder and all services performed shall be made and performed pursuant to this Agreement by the Contractor as an independent Contractor.

The Contractor acknowledges that the entire compensation for this Agreement is specified in Exhibit "B" and the Contractor is not entitled to any County benefits including, but not limited to: vacation pay, holiday pay, sick leave pay, medical, dental, or other insurance benefits, or any other rights or privileges afforded to Pierce County employees. The Contractor represents that he/she/it maintains a separate place of business, serves clients other than the County, will report all income and expense accrued under this contract to the Internal Revenue Service, and has a tax account with the State of Washington Department of Revenue for payment of all sales and use and Business and Occupation taxes collected by the State of Washington.

Contractor will defend, indemnify and hold harmless the County, its officers, agents or employees from any loss or expense, including but not limited to settlements, judgments, setoffs, attorneys' fees or costs incurred by reason of claims or demands because of breach of the provisions of this paragraph.

6. No Guarantee of Employment:

The performance of all or part of this contract by the Contractor shall not operate to vest any employment rights whatsoever and shall not be deemed to guarantee any employment of the Contractor or any employee of the Contractor or any subcontractor or any employee of any subcontractor by the County at the present time or in the future.

7. Taxes:

The Contractor understands and acknowledges that the County will not withhold Federal or State income taxes. Where required by State or Federal law, the Contractor authorizes the County to make withholding for any taxes other than income taxes (i.e., Medicare). All compensation received by the Contractor will be reported to the Internal Revenue Service at the end of the calendar year in accordance with the applicable IRS regulations. It is the responsibility of the Contractor to make the necessary estimated tax payments throughout the year, if any, and the Contractor is solely liable for any tax obligation arising from the Contractor's performance of this Agreement. The Contractor hereby agrees to indemnify the County against any demand to pay taxes arising from the Contractor's failure to pay taxes on compensation earned pursuant to this Agreement.

The County will pay sales and use taxes imposed on goods or services acquired hereunder as required by law. The Contractor must pay all other taxes including, but not limited to: Business and Occupation Tax, taxes based on the Contractor's gross or net income, or personal property to which the County does not hold title. The County is exempt from Federal Excise Tax.

8. Regulations and Requirement:

This Agreement shall be subject to all laws, rules, and regulations of the United States of America, the State of Washington, and political subdivisions of the State of Washington, and to any other provisions set forth in Exhibit "D."

9. Right to Review:

This contract is subject to review by any Federal or State auditor. The County or its designee shall have the right to review and monitor the financial and service components of this program by whatever means are deemed expedient by the Contracting Officer. Such review may occur with or without notice, and may include, but is not limited to, onsite inspection by County agents or employees, inspection of all records or other materials which the County deems pertinent to the Agreement and its performance, and any and all communications with or evaluations by service recipients under this Agreement. The Contractor shall preserve and maintain all financial records and records relating to the performance of work under this Agreement for 3 years after contract termination, and shall make them available for such review, within Pierce County, State of Washington, upon request.

10. Modifications:

Either party may request changes in the Agreement. Any and all agreed modifications shall be in writing, signed by each of the parties.

11. Termination for Default:

If the Contractor defaults by failing to perform any of the obligations of the contract or becomes insolvent or is declared bankrupt or commits any act of bankruptcy or insolvency or makes an assignment for the benefit of creditors, the County may, by depositing written notice to the Contractor in the U.S. mail, postage prepaid, terminate the contract, and at the County's option, obtain performance of the work elsewhere. If the contract is terminated for default, the Contractor shall not be entitled to receive any further payments under the contract until all work called for has been fully performed. Any extra cost or damage to the County resulting from such default(s) shall be deducted from any money due or coming due to the Contractor. The Contractor shall bear any extra expenses incurred by the County in completing the work, including all increased costs for completing the work, and all damage sustained, or which may be sustained by the County by reason of such default.

If a notice of termination for default has been issued and it is later determined for any reason that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to the Termination for Public Convenience paragraph hereof.

12. Termination for Public Convenience:

The County may terminate the contract in whole or in part whenever the County determines, in its sole discretion, that such termination is in the interests of the County. Whenever the contract is terminated in accordance with this paragraph, the Contractor shall be entitled to payment for actual work performed at unit contract prices for completed items of work. An equitable adjustment in the contract price for partially

completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this contract by the County at any time during the term, whether for default or convenience, shall not constitute a breach of contract by the County.

13. Defense & Indemnity Agreement:

The Contractor agrees to defend, indemnify and save harmless the County, its appointed and elected officers and employees, from and against all loss or expense, including but not limited to judgments, settlements, attorney's fees and costs by reason of any and all claims and demands upon the County, its elected or appointed officials or employees for damages because of personal or bodily injury, including death at any time resulting therefrom, sustained by any person or persons, and for damages to property including loss of use thereof, whether such injury to persons or damage to property is due to the negligence of the Contractor, his/her Subcontractors, its successor or assigns, or its or their agent, servants, or employees, the County, its appointed or elected officers, employees or their agents, except only such injury or damage as shall have been occasioned by the sole negligence of the County, its appointed or elected officials or employees.

The preceding paragraph is valid and enforceable only to the extent of the Contractor's negligence where the damages arise out of services or work in connection with or collateral to, a contract or agreement relative to construction, alteration, repair, addition to, subtraction from, improvement to, or maintenance of, any building, highway, road, railroad, excavation, or other structure, project, development, or improvement attached to real estate, including moving and demolition in connection therewith, a contract or agreement for architectural, landscape architectural, engineering, or land surveying services, or a motor carrier transportation contract and where the damages are caused by or result from the concurrent negligence of (i) the County or its agents or employees, and (ii) the Contractor or the Contractor's agents or employees."

14. Industrial Insurance Waiver

With respect to the performance of this Agreement and as to claims against the County, its officers, agents and employees, the Contractor expressly waives its immunity under Title 51 of the Revised Code of Washington, the Industrial Insurance Act, for injuries to its employees and agrees that the obligations to indemnify, defend and hold harmless provided in this Agreement extend to any claim brought by or on behalf of any employee of the Contractor. This waiver is mutually negotiated by the parties to this Agreement.

15. Venue and Choice of Law:

In the event that any litigation should arise concerning the construction or interpretation of any of the terms of this Agreement, the venue of such action of litigation shall be in the courts of the State of Washington in and for the County of Pierce. This Agreement shall be governed by the law of the State of Washington.

16. Withholding Payment:

In the event the Contracting Officer determines that the Contractor has failed to perform any obligation under this Agreement within the times set forth in this Agreement, then the County may withhold from amounts otherwise due and payable to Contractor the amount determined by the County as necessary to cure the default, until the Contracting Officer determines that such failure to perform has been cured. Withholding under this clause shall not be deemed a breach entitling Contractor to termination or damages, provided that the County promptly gives notice in writing to the Contractor of the nature of the default or failure to perform, and in no case more than 10 days after it determines to withhold amounts otherwise due. A determination of the Contracting Officer set forth in a notice to the Contractor of the action required and /or the amount required to cure any alleged failure to perform shall be deemed conclusive, except to the extent that the Contractor acts within the times and in strict accord with the provisions of the Disputes clause of this Agreement. The County may act in accordance with any determination of the Contracting Officer which has become conclusive under this clause, without prejudice to any other remedy under the Agreement, to take all or any of the following actions: (1) cure any failure or default, (2) to pay any amount so required to be paid and to charge the same to the account of the Contractor, (3) to set off any amount so paid or incurred from amounts due or to become due the Contractor. In the event the Contractor obtains relief upon a claim under the Disputes clause, no penalty or damages shall accrue to Contractor by reason of good faith withholding by the County under this clause.

17. Future Non-Allocation of Funds:

Notwithstanding any other terms of this Agreement, if sufficient funds are not appropriated or allocated for payment under this contract for any future fiscal period, the County will not be obligated to make payment for services or amounts after the end of the fiscal period through which funds have been appropriated and allocated, unless authorized by county ordinance. No penalty or expense shall accrue to the County in the

event this provision applies.

18. Contractor Commitments, Warranties and Representations:

Any written commitment received from the Contractor concerning this Agreement shall be binding upon the Contractor, unless otherwise specifically provided herein with reference to this paragraph. Failure of the Contractor to fulfill such a commitment shall render the Contractor liable for damages to the County. A commitment includes, but is not limited to any representation made prior to execution of this Agreement, whether or not incorporated elsewhere herein by reference, as to performance of services or equipment, prices or options for future acquisition to remain in effect for a fixed period, or warranties.

19. Patent/Copyright Infringement:

Contractor will defend and indemnify the County from any claimed action, cause or demand brought against the County, to the extent such action is based on the claim that information supplied by the Contractor infringes any patent or copyright. The Contractor will pay those costs and damages attributable to any such claims that are finally awarded against the County in any action. Such defense and payments are conditioned upon the following:

- a. That Contractor shall be notified promptly in writing by County of any notice of such claim.
- b. Contractor shall have the right, hereunder, at its option and expense, to obtain for the County the right to continue using the information, in the event such claim of infringement, is made, provided no reduction in performance or loss results to the County.

20. Disputes

a. General

Differences between the Contractor and the County, arising under and by virtue of the Contract Documents shall be brought to the attention of the County at the earliest possible time in order that such matters may be settled or other appropriate action promptly taken. Except for such objections as are made of record in the manner hereinafter specified and within the time limits stated, the records, orders, rulings, instructions, and decisions of the Contracting Officer, shall be final and conclusive.

b. Notice of Potential Claims

The Contractor shall not be entitled to additional compensation which otherwise may be payable, or to extension of time for (1) any act or failure to act by the Contracting Officer or the County, or (2) the happening of any event or occurrence, unless the Contractor has given the County a written Notice of Potential Claim within 10 days of the commencement of the act, failure, or event giving rise to the claim, and before final payment by the County. The written Notice of Potential Claim shall set forth the reasons for which the Contractor believes additional compensation or extension of time is due, the nature of the cost involved, and insofar as possible, the amount of the potential claim. Contractor shall keep full and complete daily records of the Work performed, labor and material used, and all costs and additional time claimed to be additional.

c. Detailed Claim

The Contractor shall not be entitled to claim any such additional compensation, or extension of time, unless within 30 days of the accomplishment of the portion of the work from which the claim arose, and before final payment by the County, the Contractor has given the County a detailed written statement of each element of cost or other compensation requested and of all elements of additional time required, and copies of any supporting documents evidencing the amount or the extension of time claimed to be due.

21. Ownership of Items Produced

All writings, programs, data, public records or other materials prepared by the Contractor and/or its consultants or subcontractors, in connection with the performance of this Agreement shall be the sole and absolute property of the County.

22. Confidentiality:

The Contractor, its employees, subcontractors, and their employees shall maintain the confidentiality of all information provided by the County or acquired by the Contractor in performance of this Agreement, except upon the prior written consent of the Pierce County Prosecuting Attorney or an order entered by a court after having acquired jurisdiction over the County. Contractor shall immediately give to the County notice of any judicial proceeding seeking disclosure of such information. Contractor shall indemnify and hold harmless the County, its officials, agents or employees from all loss or expense, including, but not limited to settlements,

judgments, setoffs, attorneys' fees and costs resulting from Contractor's breach of this provision.

23. Notice:

Except as set forth elsewhere in the Agreement, for all purposes under this Agreement, except service of process, notice shall be given by the Contractor to the department head of the department for whom services are rendered, and to the County Purchasing Agent, 615 S. 9th, Tacoma, WA 98405-4673. Notice may be given by delivery or by depositing in the US Mail, first class, postage prepaid.

24. Severability:

To this end, the terms and conditions of this contract are declared severable.

25. Waiver:

Waiver of any breach or condition of this contract shall not be deemed a waiver of any prior or subsequent breach. No term or condition of this contract shall be held to be waived, modified or deleted except by an instrument, in writing, signed by the parties hereto.

26. Waiver of Non Competition:

Contractor irrevocably waives any existing rights which it may have, by contract or otherwise, to require another person or corporation to refrain from submitting a proposal to or performing work or providing supplies to Pierce County, and Contractor further promises that it will not in the future, directly or indirectly, induce or solicit any person or corporation to refrain from submitting a bid or proposal to or from performing work or providing supplies to Pierce County.
