BID REQUIREMENTS

Pierce County currently has just under 500,000 registered voters. A typical countywide saturation mailing contains approximately 340,000-350,000 pieces.

Voter pamphlets will be delivered to the mailing service approximately 30-35 days before each election. Sorted voter pamphlets must be delivered to the Post Office prior to each election by the delivery date specified by the Pierce County Auditor (typically about 26 days prior to an election).

Mail must be prepared in accordance with all U.S. Postal Service regulations, sorted and delivered to obtain the best available rates. Vendor shall use necessary mailing and postal software to accomplish this task.

The Auditor will determine the type of distribution for each mailing. If the Auditor determines that the voter pamphlets will be distributed to specific households or individual voters, a file will be supplied to the vendor containing voter information. The ability to sort this file and distribute one pamphlet per household is required.

The vendor shall specify to the county the number of pamphlets needed to complete the specified mailing (e.g. number of pamphlets needed for a saturation mailing to all of Pierce County).

The ability to properly distribute to apartment and condo complexes, nursing homes, and PO boxes is required.

The mailing service will use the Pierce County Auditor Postal Permit #19, unless otherwise specified by the Pierce County Auditor. Pierce County will be responsible for ensuring that adequate funds are available in the designated postal permit account prior to mailing. Mailings will usually utilize nonprofit status.

Composition of Voter Pamphlets

Composition will vary. (Samples of previous voter pamphlets are available online at PierceCountyElections.org.)

Pamphlets are typically 8 ½ x 11, printed on newsprint and range from 24 to 120 pages.

Spring election pamphlets are typically printed on 11x17 bond paper folded twice to a mailing size of 8 ½ x 5 ½.

Pierce County reserves the right to use alternate means to mail voter pamphlets such as in-house mailing services or mail the voter pamphlet with the ballot.

Other Criteria Required

Mailing services that respond to this bid must provide a minimum of two references with contact name, address and phone number to which similar services were performed along with a brief description of services rendered.

Mailing services that respond to this bid must write a brief description of anticipated procedures, hardware/software to be utilized, location, number of personnel and describe their ability to meet tight mailing timelines.

Elections are generally held in February, April, August and November of each year.

The check or Bid Bond is security that the bidder will, if awarded the bid, enter into a contract with the County for this activity within the time set forth in these

requirements. Any bidder who refuses to enter into a Contract after it has been awarded to the Bidder will be in breach of the agreement to enter the Contract and the Bidder's certified or cashiers check or Bid Bond shall be forfeited.

If a Bid Bond is used, the 5% may be shown either in dollars and cents, or the Bid Bond may be filled in as follows, "5% of the total amount of the accompanying proposal".

Also, telecopy proposals shall not be sent to the County's telecopy machine but must be sent to the Bidder's agent and delivered to the Chief Clerk in a sealed envelope, as stated above, before the time stated in the Bid.

C. Correction of Ambiguities and Obvious Errors

The County reserves the right to correct obvious ambiguities and errors in the Bidder's proposal and to waive non-material irregularities and/or omissions. In this regard, if the unit price does not compute to the extended total price, the unit price shall govern. Written prices will govern over

1.13 FAILURE TO SUBMIT BIDS

If the recipient of this Bid does not submit an offer for the goods or services requested, they shall return it and/or a written notice stating whether they wish to continue to receive future solicitations for the type of supplies or services specified. Failure to do so may result in removal of the recipient's name from the bidders' mailing list.

1.14 APPROXIMATE QUANTITY REQUIREMENTS

The quantities listed are the County's current approximate requirements. Pierce County will neither be obligated by nor restricted to these quantities and may increase or decrease any item(s) ordered under this contract and pay according to the unit prices quoted in the Bid.

Within 20 calendar days after the notice of proposed award, the apparent successful bidder shall return the signed contract or other specified award documents prepared by the County, insurance certification as required and any other pre-award information the County requires.

Until the County executes said contract or award/acceptance documents, no proposal shall bind the County to execute a contract, nor obligate it to bear any expense pursuant to the Invitation for Bids. Neither shall any work begin within the project limits or within the County furnished sites. The Contractor shall bear all risks for any work begun outside such areas and for any materials ordered before the contract is executed by the Contracting Agency, and the Contractor is given written Notice To Proceed.

The County shall have the option of accepting the price change or canceling the balance of the contract. All price decreases must be offered to the County."

Total contract period not to exceed 5 years.

2.3 CONFLICTS IN SPECIFICATIONS

Anything mentioned in the Specifications and not shown on the Drawings and anything on the Drawings and not mentioned in the Specifications shall be of like effect and shall be understood to be shown and/or mentioned in both. In case of differences between Drawings and Specifications, the Specifications shall govern. In addition, in the event of any conflict between these General Provisions, the Technical Provisions and/or the Proposal pages, the following order of precedence shall control:

- b) Technical Provisions prevail if they are in conflict with the General Provisions.
- c) Unit prices will prevail when an error in extending total amounts occurs. In case of discrepancy of figures between Drawings, Specifications or both, the matter shall immediately be submitted to the Pierce County Purchasing Agent for determination. Failure to submit the discrepancy issue to the Purchasing Agent shall result in the Vendor's actions being at his/her own risk and expense.

A. Of the Work

All materials furnished and work done shall be subject to inspection.

The Inspector administering the Contract shall at all times have access to the work wherever it is in progress or being performed, and the Vendor shall provide proper facilities for such access and inspection. Such inspection shall not relieve the Vendor of the responsibility of performing the work correctly, utilizing the best labor and materials in strict accordance with the Specifications of the Contract. All material or work approved and later found to be defective shall be replaced without cost to Pierce County.

B. Inspector's Authority

The Inspector shall have power to reject materials or workmanship which do not fulfill the requirements of these Specifications, but in case of dispute the Vendor may appeal to the Pierce County Purchasing Agent, whose decision shall be final.

The Contract shall be carried out under the general control of the representative of the particular Department administering the Contract, who may exercise such control over the conduct of the work

as may be necessary, in his or her opinion, to safeguard the interest of Pierce County. The Vendor shall comply with any and all orders and instructions given by the representative of the particular Department administering the Contract in accordance with the terms of the Contract.

Nothing herein contained, however, shall be taken to relieve the Vendor of his/her obligations or responsibilities under the Contract.

2.5 FEDERAL, STATE AND MUNICIPAL REGULATIONS

This Agreement shall be subject to all laws, rules, and regulations of the United States of America, the State of Washington, and political subdivisions of the State of Washington.

2.6 GUARANTEE

The supplier and/or manufacturer of the supplies, material and/or equipment furnished pursuant to this Contract agrees to correct any defect or failure of the supplies, materials and/or equipment which occurs within one year from the date of: (1) test energization if electrical or mechanical equipment; (2) commencement of use if supplies or materials, provided, however, said guarantee period shall not extend beyond eighteen months after date of receipt by the County. All of the costs (including shipping, dismantling and reinstallation) of repairs and/or corrections of defective or failed equipment, supplies and/or material is the responsibility of the supplier and/or manufacturer.

When the supplier is not the manufacturer of the item or equipment, supplier agrees to be responsible for this guarantee and supplier is not relieved by a manufacturer's guarantee. The supplier hereby assigns to the County the contractor's right to enforce all manufacturer's warranties for materials or systems incorporated into the work, to the extent defects which are not corrected by the supplier under their guarantee. The supplier shall provide evidence of all manufacturers' warranties prior to acceptance.

The Contract guarantee period shall be suspended from the time a significant defect is first documented by the County until the work or equipment is repaired or replaced by Vendor and accepted by the County. In addition, in the event less than ninety (90) days remain on the guarantee period (after deducting the period of suspension), the guarantee period shall be extended to allow for at least ninety (90) days from the date the work or equipment is repaired or replaced and accepted by the County.

2.7 PIERCE COUNTY'S RIGHT TO TERMINATE CONTRACT

A. Termination for Default

If the Vendor defaults by failing to perform any of the obligations of the contract or becomes insolvent or is declared bankrupt or commits any act of bankruptcy or insolvency or makes an assignment for the benefit of creditors, the County may, by depositing written notice to the Vendor in the U.S. mail, postage prepaid, terminate the contract, and at the County's option, obtain performance of the work elsewhere. If the contract is terminated for default, the Vendor shall not be entitled to receive any further payments under the contract until all work called for has been fully performed. Any extra cost or damage to the County resulting from such default(s) shall be deducted from any money due or coming due to the Vendor. The Vendor shall bear any extra expenses incurred by the County in completing the work, including all increased costs for completing the work, and all damage sustained, or which may be sustained by the County by reason of such default.

If a notice of termination for default has been issued and it is later determined for any reason that the Vendor was not in default, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to the Termination for Public Convenience paragraph hereof.

B. Termination for Public Convenience

The County may terminate the contract in whole or in part whenever the County determines, in its sole discretion, that such termination is in the best interests of the County. Whenever the contract is terminated in accordance with this paragraph, the Vendor shall be entitled to payment for actual work performed at unit contract prices for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this contract by the County at any time during the term, whether for default or convenience, shall not constitute a breach of contract by the County.

2.8 VENUE AND CHOICE OF LAW

In the event that any litigation should arise concerning the construction or interpretation of any of the terms of this Agreement, the venue of such action of litigation shall be in the Courts of the State of Washington in and for the County of Pierce. This Agreement shall be governed by the law of the State of Washington.

2.9 PAYMENT

Payment discount periods of twenty (20) calendar days or more offered by the Contractor will be considered in determining the apparent lowest responsible bid. Invoices will not be processed for payment, nor will the period of cash discount commence, until receipt of a properly completed invoice, all invoice items are received, and satisfactory performance of Contractor has been attained. If an adjustment in payment is necessary due to damage or dispute, the cash discount period shall commence on the date final approval for payment is authorized. Payment will not be considered late if the payment is mailed within the time specified. If no terms are specified, net 30 days will automatically apply. Payment(s) made in accordance with contract terms shall fully compensate the Contractor for all risk, loss, damages, or expense of whatever nature and acceptance of payment shall constitute a waiver of all claims submitted by Contractor.

2.10 WITHHOLDING PAYMENT

In the event the Contracting Officer determines that the Contractor has failed to perform any obligation under this Agreement within the times set forth in this Agreement, then the County may withhold from amounts otherwise due and payable to Contractor the amount determined by the County as necessary to cure the default, until the Contracting Officer determines that such failure to perform has been cured. Withholding under this clause shall not be deemed a breach entitling Contractor to termination or damages, provided that the County promptly gives notice in writing to the Contractor of the nature of the default or failure to perform, and in no case more than 8 days after it determines to withhold amounts otherwise due. A determination of the Contracting Officer set forth in a notice to the Contractor of the action required and/or the amount required to cure any alleged failure to perform shall be deemed conclusive, except to the extent that the Contractor acts within the times and in strict accord with the provisions of the Disputes clause of this Agreement. The County may act in accordance with any determination of the Contracting Officer which has become conclusive under this clause, without prejudice to any other remedy under the Agreement, to take all or any of the following actions: (1) cure any failure or default, (2) to pay any amount so required to be paid and to charge the same to the account of the Contractor, (3) to set off any amount so paid or incurred from amounts due to become due the Contractor. In the event the Contractor obtains relief upon a claim under the Disputes clause, no penalty or damages shall accrue to Contractor by reason of good faith withholding by the County under this clause.

2.11 DEFENSE AND INDEMNITY AGREEMENT

The Contractor agrees to defend, indemnify and save harmless the County, its appointed and elected officers and employees, from and against all loss or expense, including but not limited to judgments, settlements, attorney's fees and costs by reason of any and all claims and demands upon the County, its elected or appointed officials or employees for damages because of personal or bodily injury, including death at any time resulting therefrom, sustained by any person or persons and for damage to property including loss of use thereof, whether such injury to persons or damage to property is due to the negligence of the Contractor, his/her Subcontractors, its successor or assigns, or its or their agent, servants, or employees, the County, its appointed or elected officers, employees or their agents, except only such injury or damage as shall have been occasioned by the sole negligence of the County, its appointed or elected officials or employees.

The preceding paragraph is valid and enforceable only to the extent of the Contractor's negligence where the damages arise out of services or work in connection with or collateral to, a contract or agreement relative to construction, alteration, repair, addition to, subtraction from, improvement to, or maintenance of, any building, highway, road, railroad, excavation, or other structure, project, development, or improvement attached to real estate, including moving and demolition in connection therewith, a contract or agreement for architectural, landscape architectural, engineering, or land surveying services, or a motor carrier transportation contract and where the damages are caused by or result from the concurrent negligence of (i) the County or its agents or employees, and (ii) the Contractor or the Contractor's agents or employees."

2.12 INDUSTRIAL INSURANCE WAIVER

With respect to the performance of this agreement and as to claims against the County, its officers, agents and employees, the Contractor expressly waives its immunity under Title 51 of the Revised Code of Washington, the Industrial Insurance Act, for injuries to its employees and agrees that the obligations to indemnify, defend and hold harmless provided in this agreement extend to any claim brought by or on behalf of any employee of the Contractor. This waiver is mutually negotiated by the parties to this agreement.
