

**PC EMS COUNCIL
CQI COMMITTEE MINUTES
May 31, 2017**

Attendance:

Membership Attendance Roster on File.

Call to Order

Meeting was called to order by Cynde Rivers at 11:12 am. Introductions were made. Minutes of previous meeting were provided, approved and accepted as written.

Unfinished Business:

A. Topic – Coverdell Data – ~~Gena Kreiner~~ Jim Jansen

Jim gave an update on the Coverdell Stroke Grant data validation and performance project for 5/2017. Coverdell and WEMSiS data element were compared. He talked about the table elements of data and those missing at the highest percentage. Chris Rock asked about variants that affect good capture of data. Jim replied that it's due to EMS entry error, failure to enter data and form design. Those are the three main issues, as well as agency differences.

B. Standing Updates (Cardiac Update will be in July)

• **Stroke Update**

Karen Kiesz provided the Stroke Report for 2016. The overview of the year was broken out by race, type, population versus population density. She also covered Last Know Well to arrival times, comorbidity for stroke, and post discharge. Questions and discussion followed.

Cliff McCollum asked for a copy of the presentation. Karen talked of her next plans for analyzing date in new/different ways.

Norma asked, "Are we missing Madigan's population? Is anyone reaching out to the State regarding Madigan?"

C. Base Station Contact on PCR-Karrie O'Brien

• **Jeff Moore-EPFR Review**

Jeff was not aware that he had an item on the agenda. The group was reminded that in the last meeting, "Calvin asked Jeff to bring something about EPFR's PCRs."

*****Jeff will be put on the agenda for next month*****
