Call to Order

The meeting called to order at 9:00 am by Patsy Maloney. Introductions were made and previous meeting minutes were provided, voted on and accepted as written.

Unfinished Business:

A. ESE Refresher Course Requirements

Norma said she has had a hard time getting together with the ad hoc committee; she suggested we wait and see what the State comes up with and try to use their online training program adding whatever Pierce County deems important. Cliff requested a follow-up on the SGA classes. A report will be available by July.

New Business:

A. New SEI Review/Recommendations – Richard Stevens

Jeff Bambrick said he presented the best class and Ryan Gerecht confirmed that he is very good in his field. Norma moved to accept his SEI Application. This motion was seconded, voted on and accepted.

B. New State Applications

Norma said the State has new applications again. The Initial and Reciprocity Applications used to be separate, but now Initial, Recertification and Reciprocity is on one form. Reissuance is now referred to as Reactivation. Norma reiterated the importance of getting the forms directly off of the DOH website so there is no confusion about the most recent version.

Unscheduled Business:

None.

Announcements:

The 3rd and 4th of August NDMS is having an exercise. Norma will be asking for ambulances to participate in transport of “patients.”

The 7th of July is the next EMS Evaluators Class here at DEM; she gave out registration forms.

June 14 is the Mary Bridge Base Station. They will be discussing some interesting case reviews.

June 15 Jeff is hosting a PAM Airway class at EPFR. Norma asked that Airway Refresher course be opened to others from outside agencies. The question was raised about posting these on the Website. Todd moved that all Airway Refresher courses be posted/published online.

Next meeting is July 26th.
