# Steilacoom Historical School District No. 1

## Special Election - Proposition No. 1 Replacement Educational Programs and Operations Levy

See complete resolution text at  
PierceCountyElections.org

### Ballot Title

The Board of Directors of Steilacoom School District No. 1 adopted Resolution No. 840-11-08-17 concerning educational funding. If approved, Proposition No. 1 will authorize the District to levy the following excess taxes, replacing an expiring levy, on all taxable property within the District, to provide support for educational programs and daily operations in addition to the State's statutory program of basic education:

Collection Year	Estimated Levy Rate/\$1,000 Assessed Value	Amount
2019	\$1.50	\$4,975,000
2020	\$1.50	\$5,475,000
2021	\$1.50	\$6,025,000
2022	\$1.50	\$6,625,000

This page left intentionally blank.

all as provided in Resolution No. 840-11-08-17. Should Proposition No. 1 be approved?

### Explanatory Statement

Passage of Proposition No. 1 would replace the District's expiring levies and allow the District to levy \$4,975,000 in property taxes within Steilacoom Historical School District for collection in 2019, \$5,475,000 for collection in 2020, \$6,025,000 for collection in 2021 and \$6,625,000 for collection in 2022. In accordance with Resolution No. 840-11-08-17 approving this proposition, these funds would be deposited in the District's General Fund and used to pay for educational programs and daily operations, including teachers, instructional aids, nurses, librarians and other staff, technology, athletics, arts music and safety programs, textbooks and other classroom materials, and maintaining playgrounds, playfields and other facilities. If authorized by the voters, property taxes would be collected at a rate estimated to be \$1.50 per \$1,000 of assessed valuation in 2019, 2020, 2021 and 2022.

### Statement For

Every four years, Steilacoom Historical School District's voters are asked to approve a school levy. This Education Programs and Operations Levy provides a sizable portion of the District's operating costs for schools, and requires renewal by voters for another four-year term. The tax rate will be set at a \$1.50 per thousand for the next four years of the levy authorization to pay for programs beyond state basic requirements. The projected levy rate is \$1.48 lower per thousand than the rate passed in 2014 due to changes in the way the state now provides for school funding. The levy is not a new tax nor an increase. Our children and teachers rely on this local funding for athletic programs, choirs, bands, early learning, additional transportation and school security. *These programs will not be available or very limited without this funding.*

Please vote yes to renew this important levy.
