# Puyallup School District No. 3

## Special Election - Proposition No. 1 Replacement Educational Programs and Operations Levy

See complete resolution text at  
PierceCountyElections.org

### Ballot Title

The Board of Directors of Puyallup School District No. 3 adopted Resolution No. 122 2017-18 concerning educational programs, operations and maintenance of educational facilities. If approved, Proposition No. 1 will continue to fund daily operations not funded by the state including teachers, paraeducators, nurses, textbooks, materials, class sizes, arts, music, athletics, playgrounds/playfields, heating, plumbing, health, safety, fire-alarm and security; and levy the following excess taxes, replacing an expiring levy, on all taxable property within the District:

Collection Year	Estimated Levy Rate/\$1,000 Assessed Value	Amount
2019	\$1.50	\$31,500,000
2020	\$1.50	\$33,000,000
2021	\$1.50	\$34,500,000
2022	\$1.50	\$36,500,000

all as provided in Resolution No. 122 2017-18. Should Proposition No. 1 be approved?

### Explanatory Statement

Puyallup School District No. 3 seeks voter approval to renew the educational programs and operations levy that will expire in 2018. The replacement levy would be in effect for 2019-2022.

Proposition 1 will help the school district to maintain K-12 programs and fund daily operations in all neighborhood schools including programs not funded by the state. Proposition 1 would continue funding classroom teachers, instructional assistants, nurses, special education instruction, advanced classes for high-achieving students, supplemental programs to bring students up to grade level, textbooks and learning materials, reasonable class sizes, technology support, arts, music, extra-curricular programs and athletic programs, maintain school playgrounds and playfields, heating, plumbing, health, safety, fire-alarm/security systems, campus security and emergency preparedness. An approved levy will generate a maximum of \$31.5 million for 2019 which is \$22.6 million less than the 2018 levy approved by voters in 2014. The actual amount collected may be less based on the current maximum levy rate of \$1.50.

Exemption from taxes may be available to homeowners who are 61 or older, disabled, and who meet certain income requirements. To determine if you qualify, call the Pierce County Assessor at 253.798.2169

### Statement For

#### Proposition 1

Successful students and strong communities need excellent schools. Replacement of the levy ensures support for Puyallup students.

#### Renew the expiring levy

This levy is not a new tax. It renews a levy which will expire in 2018. The daily operations of each school rely on our support of this levy.

#### Fiscally responsible

The school board has kept taxpayers in mind when asking us to approve this levy. They approved an inter-fund loan to reduce the amount of taxes collected in 2018. We think directors have been good stewards of the funding provided in the past and trust them to make good decisions with this funding as well. The proposed 2018 levy rate is \$1.98 less than the current tax rate – significantly lower! It's less than half of what is being collected now!

#### Great communities have great schools

Invest in our community. Invest in our students. Vote Yes for Puyallup Schools and ensure support for Puyallup students.
