Dieringer School District No. 343

Special Election - Proposition No. 1 Replacement Educational Programs and Operations Levy

See complete resolution text at
PierceCountyElections.org

Ballot Title

The Board of Directors of Dieringer School District No. 343 adopted Resolution No. 02-17-18 concerning a proposition to replace an expiring levy for education. If approved, Proposition No. 1 will authorize the District to levy the following excess taxes, replacing an expiring levy, on all taxable property within the District, for educational programs and operations expenses not funded by the state of Washington:

Collection Year	Estimated Levy Rate/\$1,000 Assessed Value	Levy Amount
2019	\$1.50	\$6,650,000
2020	\$1.50	\$7,250,000

all as provided in Resolution No. 02-17-18 and subject to legal limits on levy rates and amounts at the time of levy. Should Proposition No. 1 be approved?

Explanatory Statement

Passage of Proposition 1 would allow the Dieringer School District to replace an existing educational programs and operations levy that will expire at the end of calendar year 2018. The proposed two-year replacement educational programs and operations levy would authorize collection of taxes to provide \$6,650,000 in 2019 and \$7,250,000 in 2020. The tax levy rate required to produce these levy amounts is estimated to be \$1.50 per \$1,000 of assessed value in 2019 and \$1.50 per \$1,000 of assessed value in 2020.

The taxes collected by this levy will be deposited in the District's General Fund and used to meet the educational needs of students and pay expenses of educational programs and operations that are not fully funded by the State. These expenses include, but are not limited to, maintaining reasonably low class sizes, staffing, supplies and materials, transportation services, extracurricular programs, special education, utilities, payments to high school districts, and facility maintenance and operation.

Exemptions from taxes for levies may be available to homeowners who are 61 or older, or disabled, and who meet certain income requirements. To determine if you qualify, call the Pierce County Assessor at 253.798.2169.

Statement For

Levy money is vital

The state does not fully fund the basic education programs we provide our students. Dieringer and other school districts must ask voters to pay the cost of education the state does not cover through levies. Levy funds make up 32% of Dieringer's operating budget.

This is a replacement levy

This *is Not* a new tax. This measure replaces the levy expiring at the end of this year. Voters will not see a noticeable change in their taxes.

What does the Levy pay for?

This levy pays for teachers, nurses, counselors, PE and art, books, special needs programs, extra-curricular activities, transportation, facilities maintenance and more.

We must maintain our schools

Our test scores are among the highest in the state. Let's continue to give our children what they deserve. Education is the best guarantee of a good future for our children. Without a quality education, our children will not succeed in tomorrow's complex world. *Your vote is important!* Reinstate this levy by voting "Yes" on Proposition 1.

Dieringer School District No. 343

Special Election - Proposition No. 2 Replacement Levy for Instructional Technology Improvements

See complete resolution text at
PierceCountyElections.org

Ballot Title

The Board of Directors of Dieringer School District No. 343 adopted Resolution No. 03-17-18 concerning a proposition to replace an expiring levy for instructional technology. If approved, Proposition No. 2 will authorize the District to levy the following excess taxes, replacing an expiring levy, on all taxable property within the District, to continue funding acquisition and integration of new technologies into classroom instruction, expanding infrastructure, increasing student access to computers and providing student and staff training:

Collection Year	Estimated Levy Rate/\$1,000 Assessed Value	Levy Amount
2019	\$0.86	\$1,725,000
2020	\$0.84	\$1,725,000
2021	\$0.83	\$1,725,000
2022	\$0.81	\$1,725,000

all as provided in Resolution No. 03-17-18. Should Proposition No. 2 be approved?

Explanatory Statement

Passage of Proposition 2 would allow the Dieringer School District to replace an existing levy for instructional technology improvements that will expire at the end of calendar year 2018. The proposed replacement technology levy authorizes the District to make certain instructional technology improvements to support the District's growing technology needs not funded by the State. Recognizing the vital role of technology in teaching and learning, the proposed replacement technology levy would continue to pay costs to acquire and integrate new technologies into classroom instruction, provide students with greater access to technology devices, replace and upgrade technology equipment and systems, strategically maintain and improve networks, expand infrastructure, and provide student and staff training.

The proposed four-year instructional technology levy would authorize collection of taxes of \$1,725,000 each year 2019-2022. The tax levy rate required to produce these levy amounts is estimated to be per \$1,000 of assessed value in \$0.86 in 2019, \$0.84 in 2020, \$0.83 in 2021 and \$0.81 in 2022.

Exemptions from taxes for levies may be available to homeowners who are 61 or older, or disabled, and who meet certain income requirements. To determine if you qualify, call the Pierce County Assessor at 253.798.2169.

Statement For

Why is a separate Technology Levy needed?

Technology plays a crucial role in our classrooms on a daily basis. Unfortunately, the state does not provide funding for our growing technology needs. Therefore, the District must ask voters to pay for school technology through levies.

What does the Levy pay for?

Computers for *every* student in the District, hardware in *every* classroom to facilitate teachers and improve learning, software and security, network infrastructure, training, and staff support.

Why do we need to continue to invest in technology?

In today's high-tech world, if we're not going forward, we will quickly fall behind. Technology is now an essential part of student learning throughout the day. Let's continue to bring the world *into* the classroom and support 1 to 1 computing for all Dieringer students.

Will my taxes go up?

No. This is *Not* a new tax. This simply replaces the levy expiring at the end of this year. You will not see a noticeable change in your taxes. *Your vote is important!* Reinstate this levy by voting "Yes" on Proposition 2.
