Unfinished Business: None

New Business:

A. New SEI Candidate – Bret Stohr

Barry Kaperick recommended Bret saying that he has been at TFD for 10 years and has been working at Bates for several years. Bret introduced himself as having been an EMT for 12 years, progressing through his education and becoming a co-instructor with EMS Evaluator. He discovered he really liked teaching and therefore pursued SEI.

Bret was asked to step out of the room. A vote was taken and he was recommended for approval as a new SEI.

B. PAM Courses in 2018

Norma reminded all agencies to submit their course dates so they can be posted on the web. She also requested Base Station and OTEP dates for 2018 so they can be put on the calendar for posting to our website. Tim asked about getting the course number. Norma clarified that we have to submit each course application to get the number assigned, and a report goes to the State.
