Call to Order

The meeting was called to order at 9:05 am by Patsy Maloney. Introductions were made around the room. Previous meeting minutes were provided, voted on and accepted as written.

Unfinished Business:

A. PAM Courses in 2018

Norma asked everyone to try to send their applications in at least 2 weeks prior in order to get them processed. She also requested the outstanding rosters.

Tim Lookabaugh asked if the PAM classes are posted on the website. Norma replied that they can't be posted until the list is sent in.

She mentioned one other thing: the PA at TCC is doing updates to the PAM curriculum.

Jeff Bambrick added that they were able to acquire a lot of tracheas and asked if people wanted them. There were a lot of yeses around the room. Jeff confirmed that they will order more then.

B. Chair and Vice Chair Nominations

Patsy was nominated to serve as Chair again and Mike Newhouse was nominated to continue as Vice Chair. There were no other nominations since last meeting or in the current meeting. So Patsy will continue as Chair and Mike as Vice Chair.

New Business:

Tim announced that the Teleflex Company has provided them a whole cadaver to practice on. In October Central Pierce will be doing a cadaver lab, practicing intubation and using the bone gun. There are 100 spots available in these classes if anyone is interested. There is no charge. The last class will also be able to perform crichs.

Unscheduled Business:
