SUMMARY OF REQUIREMENTS TO OBTAIN A FIREWORKS PERMIT

FIREWORKS DISPLAY - 1.3G (FBFD)

SUBMITTALS REQUIRED:

- Completed permit application
- Detailed site plan (1 electronic copy or 2 paper copies)
- Quantities
- Type of fireworks
- Insurance certification (PC Code 17C.60.240:A8) “Pierce County and all its employees” to be listed as an additional insured
- Washington State application for fireworks display permit (Contact State Fire Marshal*) Fill out completely and sign
- Copy of current Washington State Pyrotechnician’s license
- Display permit fee = \$110.00
- Shall provide 24 hour emergency contact name and telephone number
- Display shall be in accordance with WAC 212-17, RCW 70.77 and Pierce County Code 17C.60

After your application has been created, our office will send an email to the applicant at the address provided, with a link for payment.

Please allow at least 15 working days prior to the event for PC Fire Prevention plan review and approval of permit application. Fire Prevention Bureau inspection is required.

A “public” display permit is for use of 1.3g fireworks. All displays using such devices are considered “public” displays, whether intended for viewing by the general public or private individuals or groups.

A public display shall be conducted by a Washington State licensed pyrotechnician. These displays may be conducted at any time during the year upon approval by the Pierce County Fire Marshal.

*State Fire Marshal's office phone #: 360-596-3900

NOTE: In the event of a burn ban, restrictions may apply.

NOTE: Sale and purchase of fireworks December 27 through December 31 are prohibited in unincorporated Pierce County.

INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED
