

## Parks Citizens Advisory Board

---

This nine-member board meets every other month to advise the Parks and Recreation Department concerning its general operations, capital projects, as well as the needs and interest of the citizens of the community. The board also assists the county in identifying funding sources and securing funding for the county's Parks and Recreation programs. The board takes an active role in communicating park and recreation needs, services and programs to the public governmental agencies, the executive and the council.
