

The Pierce County Law Library - Gig Harbor Presents:

Estate Planning | Collaborative Divorce:

How to keep your family out of court and out of conflict.

Gig Harbor attorneys Kira Rubel and Caroline Campbell will discuss two major life events: the importance of planning effectively for incapacity and death, and how to divorce with dignity.

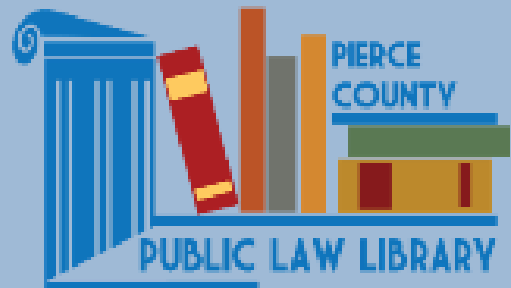

The first speaker, Kira Rubel, will discuss the importance of planning with a living trust, having a complete and detailed children's legal plan, and incapacity issues.

Next, Caroline Campbell will explain the collaborative divorce process that allows couples to control their divorce outcome in a private, respectful environment.

Both speakers will emphasize the importance and benefits of reducing conflict and staying out of court.

This talk is open to the public. Please RSVP to pclawlibrary@gmail.com

Monday, April 29 | 6:30 - 8:30 pm
