Iyengar Yoga
For the Less Flexible or 50+
In Iyengar yoga, the use of props (blocks, blankets, straps, chairs, etc.) allows you to learn the correct actions of every pose, regardless of flexibility. Instructions are precise. Teachers are rigorously trained to cover basic concepts before progressing to more complex poses. You’ll work on strengthening your body, increasing flexibility and aligning your joints for optimal function. You’ll also work on balance to help prevent falls.

In this slow moving class, we’ll mostly practice standing poses, seated poses and twists. You may sit on a chair if you are unable to sit on the floor. Poses can be modified for your individual needs.

Bring a mat, a strap, a block and 3 Mexican blankets to class.
Instructor will take orders for blankets and other props at first class. Please come early to fill out a health form.
