PARKS APPRECIATION DAY

Parks bring tremendous benefits to the community, environment, and economy. Great parks and programs help build stronger community, connecting individuals, families, and groups through the power of play. Parks provide a place to keep kids active and off the streets.

All of these are great reasons to come to a designated park and celebrate Earth Day, Arbor Day, National Parks Week, National Volunteer Week, and your local parks in one fun event. Be part of a major county-wide effort with nearly 2,000 other people working in their local parks at the same time.

Come prepared with gloves, tools, and weather-appropriate clothing, to cut, pull, plant, and haul. We will be hosting work parties at Spanaway Park, Parkland Prairie and Orange-gate Park. For additional locations, check out www.parksappreciationday.net.

If your group of 10 or more people interested in “appreciating” a different Pierce County park site near you on April 27 contact Jenn at 253-798-4148 | jenn.sergent@piercecountywa.gov

Saturday, May 18 - Old Settler's Cemetery

Take a step back in time and join us at the Old Settlers Cemetery. With graves dating back to 1795, this lesser known historic site contains some of Lakewood’s earliest settlers and Civil War-era veterans. We’ll be removing ivy infestations and cleaning up around the gravestones.

Saturday, June 15 - Chambers Creek Regional Park Grandview Trail

Did you know that English ivy is classified as a Class C noxious weed in Washington? That means it’s a widespread problem in our state. Join us at the “Spot of Shade” along the Grandview Trail, and we’ll do our part to clear out the invasive ivy & allow our native plants to grow and thrive.

Saturday, July 27 - Foothills Trail East Puyallup Trailhead

Join us for a special Pitch in for Parks, celebrating Pierce County Trails Day. From 9am until noon, our Pitch in for Parks trailer and staff will be onsite with information about the program, invasive species, and upcoming volunteer activities. Make sure to stop by and say, “hi”!

Saturday, August 10 - Meridian Habitat Park

Come play on the playground & pitch in at Meridian Habitat Park. We’re working in the flower beds, mulching our trees, & enjoying a summer day in Pierce County.

If your business, organization, or group of friends is interested in volunteering in our parks or facilities, please contact Jenn at (253) 798-4148 or jenn.sergent@piercecountywa.gov.

Get ready to “Pitch in for Parks” a volunteer based program offered through a partnership between Pierce County Parks and Recreation and McLendon Hardware. Join us “rain or shine” with appropriate clothing for the weather and work gloves. Pitch in for an hour or for the entire time from 10 a.m. to 12 noon on the following Saturdays:

Ice Skating Classes

Learn-To-Skate Program

As a member of the Ice Sports Industry's (ISI) Learn To Skate program, our basic skills classes are designed for the recreational skater; with teaching, testing, and award ribbon/patches available for different levels of achievement in basic skills and freestyle. Our program is based on the logical progression of skill development where skills learned in each level are built on skills achieved in the preceding level.

Sprinker Ice Skating Professional Staff:

Sprinker Recreation Center proudly staff some of the most highly-qualified ice skating professionals:

- Figure Skating Program Coordinator Janice Teodoro-Forbes
- Skating Coaches: Brooke Bowman, Stephanie Burgess, Hannah Eby, Jessica Leatham, Jordan Lee, Lisa Martin, Stacey Norris, Glenn Patterson, SueEllen Quick, Jennifer Rubin, and Heidi Sullivan.

Program Cost:

$70.00 (7 wks)
$15.00 ISI Membership*

The program cost includes admission to the public session (on day of lesson only), skate rental, instructional fee, testing fee, ribbon or patch, and a pass good for two complimentary admissions to any reguar price public skating session.

Registration Information:

Levels of Instruction include: PreSkate 1, 2, 3 & 4, Beginning 1 & 2, PreAlpha, Alpha 1 & 2, Beta 1 & 2, Gamma 1 & 2, Delta 1 & 2, Beginning Freestyle, Freestyle 1, 2, & 3, and Beginning Freestyle 4.

Beginning skaters should register for Beginning 1 class. Pre-Skate and Beginning skaters are evaluated during the first two weeks and placed in the appropriate class level. At the end of the 7 or 8 week session, skaters will be tested and may earn a ribbon/patch before advancing to the next level.

Pre-Registration is required. There must be at least 6 skaters in order to hold a class, otherwise the class may be canceled or combined with other levels when possible.

It is recommended that returning skaters wait to register after their skills test on the last day of class.

*ISI Membership: Required for All Learn To Skate Participants. Membership card or number is required at the time of registration.

As a member of ISI, students receive an ISI membership card, online quarterly magazine, secondary insurance and nationally registered skills tests. Allow 4-6 weeks from session start date for membership benefits to become effective (i.e. secondary medical coverage). As students progress the various levels, they have the opportunity to experience local, district and national competitions available to skaters of all ages, starting with the beginner’s basic Alpha test and ranging upward to the highest tests. These competitions are non-qualifying events. Emphasis is placed on participation and enjoyment. ISI and Sprinker Recreation Center are dedicated to providing quality recreational ice skating programs for the community.
