

Ferry Loading Guidelines

Loading lanes fill left to right. Loading will take place in the same order.

Do not leave gaps. Pull as close as you can to the vehicle in front of you.

Do not leave your vehicle unattended in the lanes, except to purchase tickets.

Be in your vehicle with the appropriate tickets at least 20 minutes before boarding.

Please show ID for senior or disabled tickets when purchasing and loading.

Traffic cones are used to block closed lanes. If lane is blocked, move to next lane or overflow parking along Martin Street.

Entering loading lanes at Lafayette Street is not permitted.

Gates close two minutes prior to departure

Do not park behind a full lane or drive up behind the end of a lane that is loading—that's cutting in line and we may deny you passage on that run.

Line cutting violations may result in a \$48 ticket.

Oversize vehicles will be loaded to best balance the ferry.

Be respectful to staff and other ferry users. Hostile or abusive behavior may result in denied passage on that run.

Please do not block private driveways or public streets within the loading lanes.

Motorcycles arriving before boarding begins may park in designated areas below loading lanes. Motorcycles arriving during boarding must get behind vehicles already in lanes and may not pull to the front.
