

ALERT registration links for counties north, west and south of Mount Rainier

A flyer for Pierce County ALERT. It features the Pierce County logo at the top left. The main text reads "PIERCE COUNTY ALERT!" in large blue letters. Below this, it says "Public Safety Officials can send emergency messages to traditional landlines and cell phones that are registered with Pierce County Emergency Management." To the right, it says "IF WE CAN'T REACH YOU WE CAN'T ALERT YOU" in large blue letters, followed by "Register today..." and a list of registration methods: "www.piercecountywa.gov/ALERT", "text PCALERT to 888-777", and "call 253-798-6595". The background shows a stylized cityscape with a river and trees.
